

INTERNET & DIGITAL PHONE

Pricing Guide

Revised July 1, 2023

INTERNET

\$47.49	\$67.49	\$80.09
Download Speed: 75 Mbps	Download Speed: 100 Mbps	Download Speed: 125 Mbps
Upload Speed: 7.5 Mbps	Upload Speed: 10 Mbps	Upload Speed: 12.5 Mbps

Customers will need to purchase a router if operating more than one computer per internet connection. Download speeds are the speeds at which customers receive information. Upload speeds are the speeds at which customers send information. Faster download speeds are better for customers who use streaming services and watch videos on their devices. Faster upload speeds are better for businesses who send out a lot of information such as large file attachments.

DIGITAL PHONE

RESIDENTIAL	BUSINESS
With FPU Internet:	With FPU Internet:
