LVG Spotlight

Nat Williamson was a strong supporter of the Literacy Volunteers of Gloucester in our efforts to equip adults for tomorrow. It is with deep appreciation and heartfelt memories that we discover his support did not end with his death. We have recently received \$5,000 left to our organization from his estate. *Thank you Nat!* We will use the money as you would have wished, helping others in our community; just as you always did.

Joke of the Month

Look us up on Facebook!

This month's 'So you think you can GED?'
Subject: Social Studies! (from GEDPracticeQuestions.com)

When prices rise, supply increases. When prices fall, supply decreases. When prices increase, demand falls. When prices fall, demand increases.

Which of the following is true?

- A. Farmers will produce additional beans when the price per ton goes down by \$10.
- B. Manufacturers will produce more tires when the price per tire goes up by \$8.
- C. Consumers will buy more apples when the price per dozen goes up by \$1.50.
- D. Consumers will buy less ice cream when the price per carton goes down by \$1.

Answer will be revealed on Facebook on 10/1!

Do you give to the United Way at work?
