LVG Spotlight

The wonderful volunteer tutors (Jim Hutchins, Durfee Betts, and Dick Welton) for the Virginia Institute of Marine Science (VIMS) English Sessions have restarted their weekly meetings with the international graduate students. We are so pleased to have these dedicated tutors as part of our organization. Thank you all!!

Board Notes

In an effort to better connect our resources with the community, LVG has begun attending Food Pantry events at Bread for Life. We hope to reach more individuals and continue equipping adults for tomorrow!

This month's 'So you think you can GED?'
 Subject: Social Studies! (from GEDPracticeQuestions.com)

The following statement is from George Mason, a delegate to the U.S. Constitutional Convention of 1787:

“Whatever power may be necessary for the National Government a certain portion must necessarily be left in the States. It is impossible for one power to pervade the extreme parts of the U.S. so as to carry equal justice to them.”

Based upon his statement, George Mason’s political views would best be described as

- A. Federalist
- B. Socialist
- C. Anti-Federalist
- D. Loyalist

Answer will be revealed on Facebook on 12/2!
