Event: Giving Tuesday Now

Date: May, 2020

Additional Info: Giving Tuesday Now is a new global day of giving and unity as an emergency response to the unprecedented need caused by COVID-19. It is an opportunity for people around the world to stand together in unity - to use their individual power of generosity to remain connected and heal. People can show their generosity in a variety of ways - whether it's helping a neighbor, advocating for an issue, sharing a skill, or giving to causes, every act of generosity counts. We all have gifts to give, and with social media, online giving, delivery, mail, and phones, there are limitless ways to use your generosity to support others!

LVG Spotlight

Did you know that LVG also helps with workforce development? We have access to a program through ProLiteracy called Workforce Atlas to help prospective workers better prepare for their future employment. It is a free online career pathway program designed exclusively with the adult learner in mind. We also have hands-on books for use as well. If you or anyone you know could benefit from this program please contact us via email or phone.

Board Notes

Are you interested in online GED education, either as a learner or a tutor? Through GED Academy you have the opportunity to study for your GED online for free! As a tutor, you have the opportunity to help a learner to achieve this goal. We are still able to assist others seeking education through distance learning with a variety of online options. Training will be provided for those interested.
