Board Notes

As LVG looks towards helping the parents of virtual learners this fall, we would love your help with this initiative! There are a couple ways you can help:

If you are interested in helping LVG achieve its mission from a leadership setting, please contact us about becoming an at-large board member! The LVG board, a group of volunteers providing organizational leadership, meets once a month (currently virtually via Zoom) and communicates throughout the month

If a board position does not seem feasible for you right now, but you would like to provide your feedback on how LVG can better reach and serve the parents of virtual learners (as well as prospective adult learners) please send us your thoughts at litvolofglova@gmail.com!

This month's 'So you think you can GED?'
Subject: Math! (from GEDPracticeQuestions.com)

Calculate the value of x for the right triangle shown below.

- A. 66
- B. 89
- C. 56
- D. 65

Answer will be revealed on Facebook on 10/5!

LVG Spotlight

LVG is grateful for the dedication and support of long-time board member, volunteer, tutor and donor Jane Watson, who passed away on August 8th. Her enthusiasm and skill eliciting the best from learners and volunteers was legendary. She was instrumental in landing a large grant for LVG in 2004. We will miss her, but know she would be pleased that LVG has received numerous donations honoring her memory.
