## LVG Spotlight

Literacy Volunteers of Gloucester is grateful for the past, present, and future support of our advocates and our community; however, we are in a different place financially this year. We are financially solvent, but unfortunately, the demand for LVG's services has dropped off considerably. Our typical learners often have low paying jobs and transportation issues. The challenges of the pandemic, including food insecurity and trying to help their children with virtual learning, adds to their already trying circumstances. Their own education is often a low priority right now. Because of this, we have gained far fewer learners than normal over the past few months.

While we are confident that our services will resume their vital role in our community when the pandemic is better under control, we cannot justify asking our loyal supporters for additional donations at this time. Until then, LVG's Board of Directors would encourage you to consider making a donation to one of our community's nonprofits that are experiencing a greater demand because of the pandemic - Bread for Life, Gloucester Mathews Care Clinic, Bellamy United Methodist Church Diaper Ministry, G.U.E.S.T., The Samaritan Group or any nonprofit helping those most impacted by the pandemic.

Thank you for your commitment to helping us equip adults for tomorrow; we are hopeful that a brighter tomorrow will be the future for us all!
