LVG Spotlight

Over the next few months, we'll continue introducing you all to some of our wonderful tutors and volunteers, both long-serving and new!

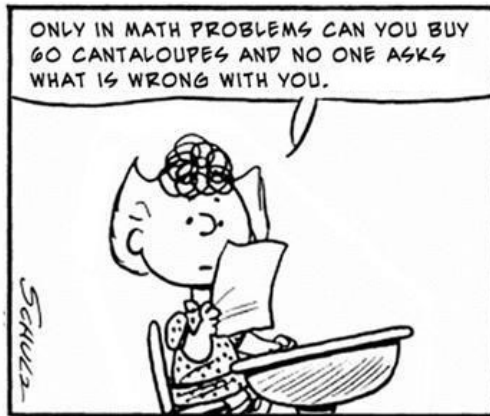

Hi, my name is Sarah! I am a senior at the College of William & Mary majoring in neuroscience and minoring in biochemistry on the pre-medicine track. I am hoping to go to medical school in 2022 to be a pediatrician. On campus, I am involved in Nu Kappa Epsilon Music Sorority, the W&M Wind Ensemble, and the Health Careers Club. I became interested in volunteering with LVG because my grandmother volunteered for a few years when I was young and I was looking to be more involved in the Gloucester community!

In my free time, I love to play the piano and clarinet, read, and go to the beach. I am also a member of Susanna Wesley United Methodist Church.

I am so excited to volunteer with LVG!
