LVG Spotlight

Over the next few months, we'll continue introducing you all to some of our wonderful tutors and volunteers, both long-serving and new!

Hello, my name is Amber Grady. My family and I moved to Gloucester last June to be near Yorktown where my husband is employed with the U.S. Coast Guard. I am a college student who is pursuing a Bachelor of Science in Psychology. Before moving to Gloucester, we resided in Bellevue, Nebraska where I worked part-time as a 4-H youth mentor coordinator and financial literacy facilitator. Since we are a military family, we have been fortunate to live in several beautiful areas, such as Washington, North Carolina, Hawaii, Alaska, Nebraska, and now in Virginia! In my free time, I enjoy getting outdoors, crafting, baking, and volunteering within the community. My family and I love learning how each community is uniquely special; we quickly fell in love with Gloucester and hope it will become our permanent home.

Joke of the Month

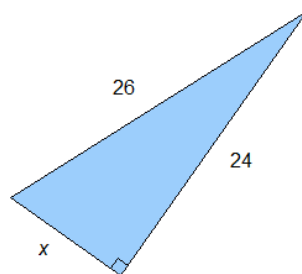

After settling into our new home, I began to research volunteer opportunities here in Gloucester. Literacy Volunteers of Gloucester (LVG) immediately caught my attention because LVG helps learners work towards their goals with the support of tutoring. Six years ago, I was seeking help from an Adult Basic Education (ABE) program after being a stay-at-home mom for several years. I benefited from the help of tutors to refresh in math, writing, and science skills. Once my youngest child entered preschool, I was ready to apply for college and work towards my education and career aspirations. This experience sparked a passion to support others working towards their short and long-term goals. I look forward to engaging within a setting that nurtures personal education goals.
