

# PaperChain®

To All PaperChain Member Publishers;

Below are the links to PaperChain's Digital Gardens. They are a resource for you, our Publishers and an awesome outreach tool to spread the Good News of Community Papers to a larger audience.

You can help grow these gardens with a simple "like" now and then...for instance push the "like" button for the Fisher House Partnership on our Facebook or LinkedIn posts.

The PaperChain Digital Committee is working on updating a Nationwide Database Directory. They are also working on updating our External Website to match our rotating banner ads in SRDS. Speaking of SRDS make sure your information is current. Your
