The Departments of Neurosurgery and Neurology invite you to a free seminar

UCLA movement-disorders specialists will discuss treatment options, including medicines, surgery (deep brain stimulation) and noninvasive therapies, to cope with tremors.

Topics include:

- Coping strategies
- Surgical therapies — deep brain stimulation (DBS)
- Medical treatments
- Noninvasive treatments — focused radiation and ultrasound

Speakers:

Nader Pouratian, MD, PhD
UCLA Neurosurgery
Director, Neurosurgical
Movement Disorders Program

Ausaf A. Bari, MD, PhD
Assistant Professor
UCLA Department
of Neurosurgery

Adrienne Keener, MD
Assistant Clinical Professor
Movement Disorders Program
UCLA Department of Neurology
