Dear prospective sponsor,

We invite you to join us in our mission is to spread the love of gardening by bringing together area home and garden businesses and organizations and home gardeners to share products and exchange ideas, and to offer information about the benefits of gardening, including exercise and enjoying nature, along with the satisfaction of beautifying the yard and countryside. The benefits of gardening include producing homegrown vegetables that not only taste better, but are more nutritious.

The *Wilson County News* actually began this event in cooperation with community organizations in 2007 and since then it has grown and evolved into what today is known as the South Texas Home and Garden Show, an event that draws 1000 people to Floresville and has a waiting list for vendors year after year!

We look forward to the show on March 22, 2025 in the Floresville Event Center. We hope you can join us with a corporate sponsorship!

Sincerely,
Eva Lopez
