DEAR PARENTS,

This school year is going by so fast! It feels like we just had our November Thanksgiving and Christmas celebration! We just celebrated Easter and talked about the love that Jesus has for us. The next few weeks at Bible and Chapel time we will be talking about how God washes away our sins and puts people in our life to draw us closer to Him.

In our curriculum, we will be learning about life on a farm and farm animals. We will hopefully be able to have some live animals come and visit for the children to see.

With this year coming to an end, we will be practicing graduation songs with our Monday/Wednesday/Friday class. If your child is not graduating, they will still practice the songs in class. Please let your child know if they will not be participating in the graduation ceremony so they are not confused. Graduation is on the last day of school, May 31.2024.

I would like to thank each and everyone of you for enrolling your child in Noah's Ark preschool . By word of mouth and returning Alumni, our T,Th class for next school year is full ! We have a few spaces available in our MWF class.

Thank you all have a Blessed month!
