### **Note For All Production Participants**

We welcome you to Court House Players and hope if you are selected you enjoy your part in this production. As an all-volunteer, family-oriented community theater group, we at CHP believe that being willing to help out when there's a need is what theater is all about, so we expect all participants in a production to serve in various capacities, as needed. Actors may be asked to help build or paint sets, provide parts of their costume or some of their props, or distribute posters to advertise the show. A backstage worker might find him- or herself dragged on-stage to be an extra body, or maybe even a principal character.

Everyone involved with a show is expected to help break the set after the final performance. In addition to being appreciated by the set builders, it's a great way to bring closure to what we hope will be an important and rewarding experience for you. Finally, all participants in a show should be prepared to join CHP for the low annual membership rates of \$10 for students, \$15 for individual adults, and \$25 for families.
