Tuition Contract

The educational programs at St. Agnes School are a stellar example of what can be accomplished when gifted educators and committed families work together. As the financially responsible party, I understand that if I fail to honor my financial obligations, my child's school records, including the final report card for the year, will be withheld until all obligations are honored. Additionally, I understand that the Diocese of Rochester policy states the following and will be honored by St. Agnes School:

- Tuition not received within 30 days of the due date will result in documentation in a student's file
- Students whose tuition falls 60 days in arrears, may be removed from the school unless an exception is granted by the Superintendent of Schools and the Chief Financial Officer.
- Any tuition that remains uncollected at the end of the school year should be considered for placement with a collection agency.
- No students will be accepted at any other Catholic school within the Diocese of Rochester if they are carrying a past due balance from any other Catholic school within the Diocese of Rochester.
