

June 2022

Hello Second Grade Families,

I am sending home a Second Grade Supply list for those of you who like to shop early! 😊 I know that it is fun for the children to have fresh new supplies for the new school year, however, I encourage you to reuse some of your supplies from last year. It is a perfect opportunity to teach the children about good stewardship of God's gifts, it saves money, and helps the environment!

Have a wonderful summer! See you in September!

Sincerely,

Mrs. Kashorek
