You are Cordially Invited
To Participate In The

St. Agnes School Golf Classic

In Memory of Michael B. Hayes

Honoring the Hayes and Dougherty Families

In it's 30th year, the St. Agnes Golf Classic will again be dedicated in memory of Michael B. Hayes, a St. Agnes graduate who had a great love for the game of golf. Also this year honoring the lives of two important families of the school and its mission. All proceeds will benefit St. Agnes School.

The St. Agnes Golf Classic is a favorite among golfers in the area. Year after year, our flights fill up with men and women, young and old, some serious and some not so serious about the game of golf. Everyone has a great time at this very special event. What sets this day apart? An afternoon of golf held on a beautiful course overlooking the Genesee Valley. Generous amounts of food and beverages provided all day long. When your 18 holes are finished, the fun doesn't stop!

This year, we'll host a special "Golf Ball" to follow that begins with a delicious dinner, catered by the club's restaurant "Corsa on the Links". Awards are given out and our annual tournament silent auction and raffle is held right on the scenic back lawn. Music, dancing and games will go into the night.

Register early to assure your spot in this fantastic event!
