For the following questions, answer on separate paper, using a single-spaced, 12 pt font. Where maximum length is indicated, please follow directions.

1. From your Scholarship Activity Form select up to 3 activities you feel are most important and explain what you learned from them.

(maximum 100 words for each activity)

2. To what colleges, universities, or accredited technical/trade schools have you applied for admission? To which schools are you accepted? What final degree or professional certification are you seeking?

3. What areas of academic study or professional training do you plan to pursue? Which school do you plan to attend?

4. What led you to be interested in this field of study? How have you explored this career? Have you interviewed people in this field, visited, interned or worked in this field? If so, with whom and where?

(maximum 200 words)

5. For what other grants or scholarships have you applied? Which have you received and the award amount?

6. Describe the circumstances relating to any financial need, including special family considerations and any financial obstacles you have to overcome.
(maximum 300 words)

7. Tell us something about yourself that you have not shared in this application yet.

Example prompts (choose one or more or create your own):

What makes you unique?

What excites you?

What will you bring from your post high school experience that will help you be an active member of your community?

What are some special ways you have prepared for the college experience?

(maximum 800 words)
