## **“He is risen”**

It seems that the news media likes to report bad news. The worse it is, the more we hear it. Perhaps it's the old adage, “Bad news sells.” Well, if that is the case then there is a flooded market -- supply has got to be greater than demand!

I have also noticed the tendency when we get together with other people, we're like parrots - we just repeat to one another the worse things we've heard.

With all of this doom and gloom, it's easy to fall into despair. The outlook all seems grim. We start to think, “there is little to no hope.” Or we hear/say this alot, “Well, it's only going to get worse.”

If you are a Christian today, then you need to remind yourself of one very important fact: Jesus Christ rose from the dead and He lives forevermore.

That is the Good News. That is the news that if believed upon will transform lives. That is the news that transforms everything! I believe the enemy of our souls truly seeks to discourage us and defeat us, and we fall all too easily. We must fight the good fight; we must stand on the truth - and live the truth and speak the truth.

In darkness -- Jesus is our Light.  
In chaos -- Jesus is our Peace.  
In despair -- Jesus is our Joy.  
In doubt -- Jesus is our Rock.  
In lostness -- Jesus is our Salvation.  
In death -- Jesus is our Life.

When things look hopeless, when the news is all bad, when it appears to be dark and getting darker, when you are falling into despair -- remember friends -- our Savior is alive and well! He walked out of a tomb -- defeating death, defeating the devil. As His children, we have VICTORY in Jesus!

Aren't you thankful today -- for the Good News?!
