

**Hello!**

It is that time of year again! The Brillion Area Chamber of Commerce would like to bring together local businesses to enjoy some fresh air and friendly competition. **On Thursday, July 11th we will gather on the green at Braun's Deer Run Golf Course and Restaurant for our 16th Annual Golf Outing.** Mini golf will also be available!

**Sponsorship opportunities provide exposure to our Brillion area business community and beyond.** We also couldn't do the work we do throughout the year without the support of businesses like yours. All the work the Chamber does is on a volunteer basis and all profits collected from this event will be used for Brillion beautification projects.

Sponsorship opportunities are listed on the back page. Select the level that best fits your goals. **Sponsorship selection is due by Friday, June 28th.** Please complete the Google Form on our website, [brillionchamber.com](http://brillionchamber.com) or return the form included below. Payment is available online or an invoice will be mailed.
