**PRESIDENT'S MESSAGE**  
**January – February 2023**

Nutmeg Chapter

**HAPPY HOLIAYS!!!!**

The Chapter ended the 2022 season with a well-attended annual meeting this past November at the Haul of Fame Museum in Canterbury. A grateful thank you to Denis for once again hosting this event. Many items were discussed and voted upon which sets the stage for a very active 2023 season as we move forward to next year. The Chapter is in great financial shape and is ready to roll out another truck show at the Brooklyn Fairgrounds in late June 2023. We are always in need of help on set-up day and show day. Last year we had some new people pitch in some time, which was greatly appreciated. As a result of near record breaking crowds, the membership voted to donate nearly \$6,800.00 to regional and local non-profit agencies and museums. It is a good feeling to help those in need. Your membership is very important to us and thank you once again for your participation in our bi-monthly meetings and efforts on show day to make our generous contributions possible.

On behalf of the Officers, Board of Directors and Committee Chairpersons, I would like to sincerely thank you for your vote of confidence by electing us to another two-year term at the November Meeting. We are encouraged by your attendance at meetings and your positive input related to the direction of the Chapter. We are always looking for help within members of the club. If at any time you would like to increase your commitment and seek a place on the management team, please reach out to us. New ideas and leadership is needed and welcomed to keep us strong and rolling on.

In closing, I would like thank each of you for your efforts over the past year. It has been a privilege working with you in the preservation of the History of American Trucking. I would like to wish each of you from my family to yours a Happy and Safe Holiday Season!

Season's Greetings!!!!!!!!!!

Tom

**Minutes of Nutmeg Chapter Meeting**  
**November 13, 2022**  
**ANNUAL THANKS-GIVING DINNER**

**Call to Order:** Tom Bachand, Nutmeg Chapter President, called the meeting to order at 12:15 PM

**Opening:**

The Meeting opened with the Pledge of Allegiance led by Chapter President Tom Bachand. Tom spoke of the history of the Nutmeg Chapter celebrating its 39<sup>th</sup> annual meeting and how the common interest in and love of old trucks and their restoration brings together people of all ages, backgrounds, professions and locations from all areas of the North East.

Tom expressed gratitude to Denis Yaworski for his continuing hospitality in welcoming the club members to the Haul of Fame for meetings as well as for exploration of the truck and heavy equipment collections.

Tom also thanked Mike Rondeau for his 5 gallons of vanilla ice cream, a favorite accompaniment to the apple crisp dessert. Members expressed their appreciation.

This annual meeting, with so many in attendance, gave Tom the opportunity to recognize the following folks:

1. Veterans with this quotation from Peter Marshall: "May we think of freedom, not as the right to do as we please, but as the opportunity to do what is right". The Club celebrates 33 veteran members.
2. In memory of 46 past members of the Nutmeg Chapter, Tom read names and a Moment of Silence was held. He reiterated that every member, past and present, impacts the continuation and success of the Nutmeg Chapter.
3. Those who have served the Chapter in roles of officers during past years were asked to stand and were recognized for their contributions to promoting the longevity of the Nutmeg Chapter.
4. Although not present, Bernice West, long time member, original signer of the Charter, past treasurer, Newsletter editor & proofreader, Chapter historian and all around volunteer and supporter of the club activities and members was honored. Bob West, Jr. reported that Bernice sends her best regards to the members with her wishes that she could have joined the dinner meeting as she always has. Bob noted that her health has improved.

**Attendance:** There were 85 members and guests present at this annual Thanks-Giving dinner meeting.

**Secretary's Report:**

A motion was made to accept the Secretary's Minutes of the September 18, 2022 meeting as they appeared in the previous Newsletter. The motion was seconded and the members voted unanimously to approve the Minutes.

**Treasurer's Report:** Tom Bachand Reporting period September – October 2022

1. Savings Account- Interest and Balance Reported
2. Regular Account-Balance Reported  
Income: Dues, Members' Meals, Woodstock Fair and the 50/50 drawing. Tom noted that the 50/50 drawing has been a contributor to the Regular Account's monthly business for the past 6 years.  
Expenses: Matthews Catering, bimonthly meeting host expense, BTS Printing, Newsletter stickers
3. Show Account Expense: Boy Scouts of Ashford, CT.
4. Special Treasurer's Report: Tom expressed appreciation to Kevin Bachand for stepping in 18 months ago to serve as Treasurer. At this time, due to Kevin's profession and times away, he is unable to continue serving as Treasurer, but will accept serving as placeholder for the office. He has been instrumental in establishing the program and spread sheets essential to the function of the treasurer responsibilities for the past eight years during the time that Tom has been treasurer. Kevin continues to assist Tom as needed.

A motion was made to accept the Treasurer's Report as presented. The motion was seconded and vote was unanimous to accept the report.

**Membership Report:**

Lance Dimock reported a membership count of 141. Seventy-one members have paid the 2023 dues. Tom noted the Chapter's appreciation for the work that Lance and Lois are doing by tracking dues and creating accurate membership lists.

## Website/Social Media

The website has progressively moved forward with knowledge of the technology needed to advance and promote the club recognition through social media through the guidance of Jonathan Yeomans. From the beginning with Linda Raymond through the current oversight of Kathy Arnauckas and Jonathan Yeomans, the Nutmeg Chapter has a dynamic online presence.

**Newsletter:** Donald Arnauckas, Editor

Tom congratulated Don and Kathy on all of their hard work and time involved in the creation and publication of the Chapter Newsletter. The great effort to provide enjoyment and information to all readers is appreciated. The Newsletter joins members far and wide.

Don reported:

1. The deadline for the next Newsletter is November 30
2. Please update the status of your for sale/wanted ads. They are free, but take up space if no longer relevant.
3. Don is always looking for road stories, truck activities and articles of interest for the readership.
4. The Wheels of Time editor Stormy Wylie is retiring.
5. Don has pictures of the Brockway Museum, American Heritage Museum, Keystone Museum and Topland Farms truck events for all to see.
6. Tim Walz from Long Island will see if he can get some advertising in the local publication he works for.

## The Brooklyn Truck Show

1. The 2022 truck count was 330
2. Tom expressed tremendous appreciation for John Raymond, Show Chairman for his continued organization and drive to lead the membership to a successful truck show. He credited each and every individual who devoted time and effort in all the various jobs to contribute to a fun and prosperous day.
3. Recommended changes;
  - A. Chalk machine to outline vendor spaces
  - B. Cash box for registration booth
  - C. Tee Shirts:
    - \*\* The recommendation by the Board of Directors is to increase our sale price for the tee shirts from \$15.00 to \$20.00. to increase our profit from \$2.88 to \$7.88. Manufacturer cost for the shirts to be made is \$12.12. Discussion ensued. Motion was made and seconded, and the majority of members present voted for the tee shirt price increase. One member dissented. Based on majority rule, the motion will be carried to the action of raising the tee shirt price.
    - \*\* Betty Robertson asked for an increase in the number of larger sizes ordered as there is a demand for 1X, 2X, 3X sizes. Members agreed.
    - \*\* It is a close call to determine how many shirts to order without carrying them into the following year when they sell for a loss at \$8.00. It was recommended that the featured Show Truck Owner pre-order the number and sizes of the tee shirts he/she needs.
    - \*\* Dash plaques will continue to be given to the owner/operator of each show truck.
4. The 2023 Brooklyn Truck Show will be Sunday, June 25, 2023.
5. The 2023 Show Truck will be the one nominated at this meeting:  
Rob Coutu's 1971 Chevy C60 Rollback carrying Rob's 1949 Diamond T 201 pick-up was nominated for 2023.
6. Donations recommended by the Board of Directors in September and presented to the membership

--Haul of Fame Museum	\$1500.00
--Girl Scouts	\$ 500.00
--TEEG	\$ 500.00

All officers currently serving will continue for the next two-year term. Please note the following:

Treasurer: As discussed in the Treasurer’s Report of these minutes, the position of Treasurer is in need of a volunteer. Tom Bachand has served in this position for 8 years and is also serving as President. Kevin Bachand has volunteered to serve as placeholder. HOWEVER, the membership must seriously consider the following consequence if there is not a Treasurer put in place. The Nutmeg Chapter will be removed from ATHS membership without a Treasurer. This will impact the club because an annual treasurer’s report is required by the ATHS as necessary for the annual insurance coverage for the Brooklyn Show. With a membership of 141, there must be someone who is willing to learn about and carry out this position.

### **Other Business**

1. Volunteer hosts and locations are needed for the January, March, and May chapter meetings.
2. The 50/50 Raffle winner was Ken DeLorge
3. A second drawing was held for the 50 year National ATHS Commemorative Coin.
4. Bob West, Jr. had the winning ticket.
5. The certificate for the National ATHS Walkway Brick Program in honor of Ken and Daisy Miller has been received and will be presented to their son David Miller in the near future.
6. Rob Coutu offered grace prior to the members sitting for the meal. He led the group with thoughts about “What is it that Joins Us?” and spoke of the bond of love each member has for trucks and the love reflected in restoring a truck to honor someone. As each gathering of the Nutmeg Chapter is called to order with the Pledge of Allegiance, Rob reiterated that each person in pledging aligns him/her self with each other, with the country and the position of God in the presence.
7. Cares & Concerns: Dudley Diebold was hospitalized with Covid but has recovered and is back to managing Topland Farms.

### **Adjournment**

There being no further business, the meeting adjourned at 1:15 PM.

Respectfully submitted,  
Betty Jay, Secretary

***Dedicated to preserving the dynamic history of trucks, the trucking industry, and its pioneers.***

## Last Ride – Donald Hurliman

**Donald Fairchild Hurliman**, 88, of Middletown passed away on October 5, 2022. Donald was a long time member of the Nutmeg Chapter and although I never had the pleasure of meeting him, he was a frequent customer of the Golden Age of Trucking in Photos books.

His obituary states that he was a member of the Raybestos Brakettes Booster Club, AARP, Nature Conservancy, New York Botanical Gardens, NRA, John Deere Two Cylinder Club, National Wildlife Federation & American Forestry Association and the Nutmeg Chapter of the ATHS. He was survived by several cousins. In lieu of flowers, donations were requested for the Durham Volunteer Fire Department. Doolittle Funeral Service handled arrangements for Donald.

**The Nutmeg Chapter received a Certificate for our participation in the Brick Program honoring long-time Nutmeg members, Ken & Daisy Miller. Tom will deliver this Certificate to their son, David Miller.**

MERRY CHRISTMAS & A HAPPY NEW YEAR TO ALL

## BROCKWAY MUSEUM, Cortland, NY

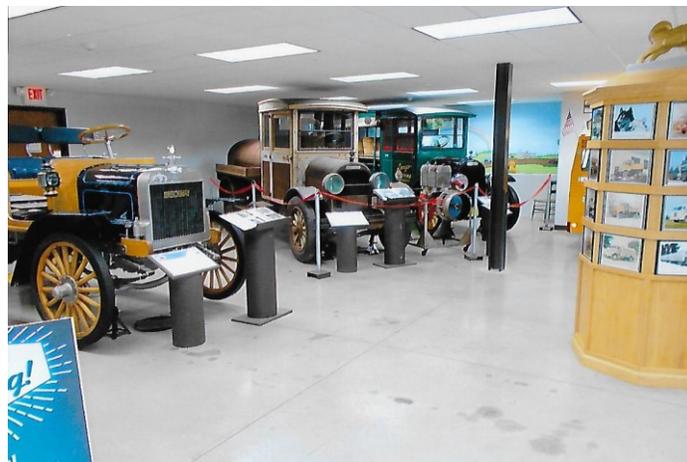

I would like to share some photos that I took at the 2022 Annual Brockway Show. Every year in August the Brockway Museum in Cortland, NY holds this show that usually takes place from Thursday thru Sunday. On Thursday it starts with a Brockway Ice Cream Cruise-in. Friday there is the "Huskie Drive" with many road worthy antique Brockway's touring the area around Cortland. Friday night is their Italian Dinner, followed by a Brockway Auction (parts and memorabilia) and a spectacular fireworks display. On Saturday there is a parade of Brockways from the Museum to Main Street in Homer, where the National Brockway Truck Show takes place. This year there were about 125 Brockways on display. The antique Brockways park on Main St. along with vendors, music and food. At 3:00 pm awards are given out at the Bandstand on the Village Green. Back at the Museum, a delicious BBQ Dinner finishes the day. On Sunday there is a pancake breakfast at the Museum.

A visit to the Brockway Museum is a worthwhile visit at any time. You can call 607 299-4185 or visit their web-site at [www.brockwaytrucks.org](http://www.brockwaytrucks.org) for hours and information. The building was purchased in 2006 with a generous donation of \$375,000 by Peter Grimm. Peter, obviously is a Brockway Truck enthusiast and owns many antique Brockways. Many of the Brockways that are on display at the Museum are on loan and rotated so there is always something new to see. Many of the trucks displayed in the Museum have been restored, but there are also original trucks that show the scars of a rough life doing a job that had to be done. If these trucks could talk, they could tell some work stories about the tough drivers that drove them. The Museum outlines the history of Brockway over the years. Many people have donated Brockway memorabilia that lines the walls the Museum and tells the Company's rich history. Visiting the Brockway Museum is a "must see" for any old truck enthusiast.

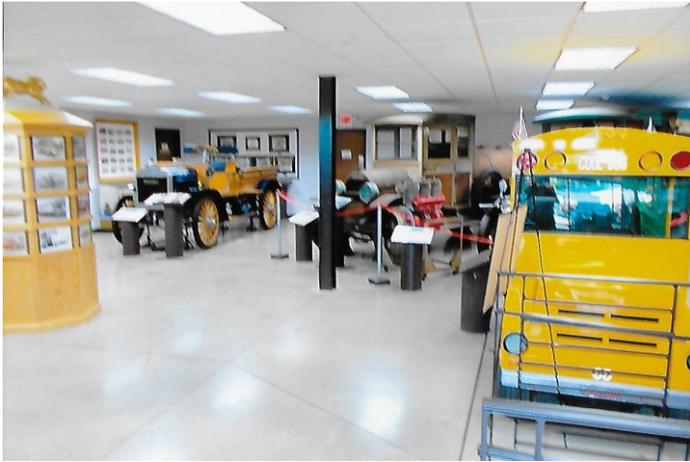

The Brockway Museum is part of "The Central New York Living History Center". At the same location there is a display of Ken Eaton's extensive military collection along with model trains and rail artifacts. The Tractors of Yesteryear building displays antique tractors, historic farming equipment and Grandma's kitchen and parlor. In the near future, the "Firehouse Museum" will be opening. It will be a two story building and will feature an antique fire pole, along with fire equipment and memorabilia and informational displays.

***At our Annual Meeting in November, the Nutmeg Chapter voted to donated \$500 to the Brockway Museum from our June Show Profits.***
