And the winner is...

Thank you for picking up a copy of THE BEST of PARIS TEXAS!

We couldn't have been more pleased with the response from our readers who ultimately decided who was deserving of the title of "BEST" in Lamar County.

After several months of preparation, voting and counting ballots, the 2023 Best of Paris winners are in and congratulations are certainly in order.

We published The Best of Paris ballots for four consecutive weeks in The Shopper and on our website dshopper.com.

The ballots consisted of 141 categories including places to shop, services, food and drink and people in our county. The response was overwhelming this year!

The Best of Paris voters were given an opportunity to submit one ballot per day per person and had to vote for a minimum of 10 categories. Our goal was to make sure the contest was fair and managed in a way where ballots could be screened and validated. Random calls were placed to readers submitting ballots to ensure they were in fact the ones submitting the ballot. Duplicate ballots were taken out and all ballots throughout the counting process were checked for anything we felt would compromise the outcome of the contest.

Congratulations to all our winners and we hope you will enjoy a full year of this great distinction as THE BEST in Lamar County.

Thank you again to all who participated.

Linda Garrison

Thank you for voting us Best Place To Buy a Mower!

Instead of promoting our business today, we wanted to promote our vision and what we stand for at K&G Mowers and what keeps us driving forward.

The 903 Freedom Mission

Our ministry is called the 903 Freedom Mission. God gave us this name after coming across bond slaves in Pakistan. The first family we met and paid for their debt bond and set them free along with 4 more families for \$2835. They have been slaves all of their lives and most of their fathers had died out there trying to pay the debts of the corrupt slave owners in the brick kilns.

I've never witnessed such a small amount of money go so far for God in my life. We have helped families with groceries, tithed to churches, helped people get caught up on payments, but had never witnessed lives literally transformed like this.

Moses as one man freed the nation of Israel from this same type of slavery. If every person in the 903 area code handed over \$66 we could free the entire nation of Pakistan of their bond slavery. Then we have 9 more countries on our radar.

As of today the 903 together has freed

49 families out of slavery, and bought 5 cab businesses for them. Could you imagine what we could do with your help?

We ask you to pray and if the Lord leads you to get involved in this mission in prayer, finances, or possibly even to go with us to see this in person :). We will make sure 100% of every cent goes to the mission of freedom, and not to plane tickets, salaries, etc...
