We are transitioning to a new software program called ProCare, which we anticipate will be more user-friendly for our families when making payments and accessing data. Please be on the lookout for more information!

Friendly Reminders

1. PER YOUR CONTRACT, tuition is due *IN FULL* every Friday for the upcoming week. Although, EZ-EFT (Auto Pay) is our preferred method of payment.
2. Your tuition is based on enrollment, so please remember that you are still responsible for tuition even if your child is sick/absent for any reason.
3. If you have a Families First card, starting 2/1/2021 you must record your child's attendance (time in/time out) EVERY day by calling the number on the back of your card. We strongly request that you to do this in the parking lot of the Center before drop off and before pick up. NO EXCEPTIONS will be made for parents who are not following this mandatory policy.
4. All children (preschool & up) must have a mask every day. Also, parents need to wear one at drop off and pick up.
5. Any schedule changes require a 3 week notice in writing. This applies to School Age children, as well.
