Important Parent Program Via Zoom

We would like to invite you to join our Preschool Teachers and Gail for a **program/presentation on Thursday, January 27th from 6:00 – 7:00 P.M. on "Supporting Pro-Social Behavior and Skills"**.

We will share information on a special initiative in which we are participating and how we are implementing a wide variety of pro-social supports as a priority focus in our classrooms. Each Teacher and Gail will share strategies and provide an opportunity to gain some ideas that can be used at home as well as to ask questions. Building on strengths and helping children recognize the value of "being kind" to others is a major goal; we know that the foundation of all learning is social and emotional development.

The Zoom invitation will be sent to you later this month. We hope to see you there!
