Education of Young Children

**NAEYC Accreditation & Grow NJ Kids**

We are currently working on NAEYC Accreditation and  
Grow NJ Kids renewal.

This month, we will be sending out a parent survey, and we  
would greatly appreciate your participation!

We all acknowledge that we want “normalcy” to return. We  
know that feelings about masks are on both ends of the  
spectrum and in between. Please be assured that the Mask  
Policy will be addressed again at the March Board of Trustees  
meeting, and it may change at that time. Your patience is very  
much appreciated!  
Thank You!

We have a fun-filled day planned to celebrate  
**St. Patrick's Day**  
and would like your child to  
**wear GREEN to school on Thursday, March 17th!**

### Friendly Reminder

Please be sure to use caution while driving in and out of the Center's parking lot so we can maintain safety for all children, parents, and staff.

- In the morning and afternoon, our school bus needs ample room to pull up by the front of the school. Some people are parking in the handicap spaces (which should be used for anyone with a handicap placard only).
- Also, please be sure to drive carefully while in the parking lot. We've gotten some reports of people driving too fast, and we want to be sure everyone is safe.

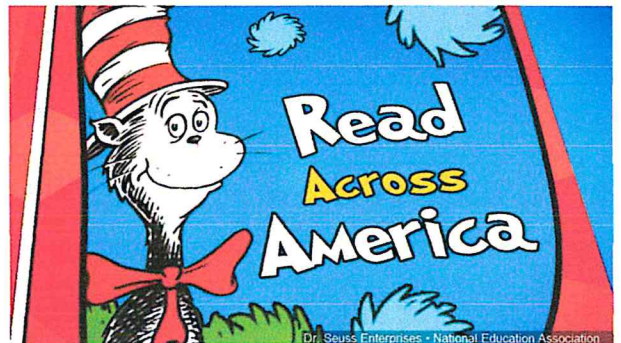

We appreciate your cooperation!

Turn your clocks AHEAD one hour at 2 A.M. on Sunday, March 13th, for Daylight Savings Time.

Congratulations to the Honore Family!  
Liam in our Purple Bird Room  
is a Big Brother!  
We are all excited to hear you  
have a new baby sister!!

March is Read Across America Month!  
What a great reminder about the importance  
of reading to our children!
