

Dear High School Students,

Are you interested in working for 2-3 hours after school with children?

We are looking for students who would like to work in a fun, supportive environment helping school age children in our **School Age All Stars Program** with creative crafts, educational and recreational games, homework, and other activities.

Please call 973-426-1525 or send an e-mail to greuther@mtolivechildcare.org

Thank you!

Gail Reuther, Director
