

Blessing Box

The management and employees of Elk River Trading Company are proud to announce that we have installed and filled our Blessing Box; located on the front porch of our store.

A blessing box provides a meal or snack to those temporarily in need. This is in **NO WAY** to hinder or replace the other food bank type operations in this area. Instead, this is to complement their operations and provide a temporary source of food until a person is able to fully apply for these longer-term programs. Or, for those who suffer a temporary short-term financial hardship and are not able to afford food or basic supplies.

Blessing Boxes rely on the community to keep them filled. Traditionally, a Blessing Box is filled with non-perishable foods and canned goods. Also, everyone enjoys an occasional snack. Diapers and feminine hygiene products are also a nice addition for those who can't easily afford them. Another nice treat is a wrapped happy-meal type toy.

Please help us keep this Blessing Box filled to help feed the citizens of Fayetteville/Lincoln County, especially during these unprecedented times. Simply drop by the box at any time and place your donated items inside the Blessing Box for those in need. We would appreciate the opportunity to work with any individuals or church/community groups to help keep this Blessing Box filled, so that we can best serve our community.
