September Education Committee Meeting

Plans for Mock Interviews were the main topic of discussion during the September Education Committee meeting. The first round of interviews will be held at LCHS on Thursday, October 3, 2024

If you would like to participate, save this date and watch for more details to come. Being a part of this process is just as rewarding for the interviewer as it is for the students. In most cases the students can be paired with an interviewer of the career path they are interested in pursuing. This makes their "job interview" even more realistic. Some have even been hired as interns based on their interviews.

Tentative spring dates for the second round of LCHS interviews is March 6th and Mock Interviews at Fayetteville City on March 4th.

TCAT, Fayetteville City Schools, Lincoln County Schools and Fayetteville Public Utilities were represented at the meeting

Did you know that you can take a virtual tour of the Museum
