Congratulations to Henrietta Towry (Adult) and Sadie Gentry (Youth) on receiving The 2024 Governor's Volunteer Star Award. This prestigious honor recognizes their incredible dedication and service to the community. Tennessee's premier volunteer recognition initiative celebrates outstanding volunteers across the state with each participating county selecting one exceptional youth and one adult. Nominations for the 2025 Awards will be open in August through the Chamber who serves as the County co-ordinator.

**Chamber Education
Committee**

Mary Beth Seals, President of HH Lincoln Health and a member of the Education Committee invited guest speaker Max Tunstill, CNO of Lincoln Health to share information regarding the nurse apprenticeship program. The program allows nursing students to be paid for all their clinical hours. An additional benefit for students is that the employer pays the remaining tuition balance after scholarships and grants—the employer benefits from having a pipeline for new nurses. There will be more to come on this wonderful program. By developing apprenticeships in healthcare professions, we can develop progressive pathways in needed roles to obtain education and training while working within their chosen industry.

Additional board members present included representatives from TCAT, Motlow College, FCS, LCDOE, 5-Star Food Services and FPU
