## Student Advisory Board

The Student Advisory Board recently ended their 2024-25 year with certificates and awards. Thanks to our host CEO & General Manager Brit Dye and Fayetteville Public Utilities with a great tour. As our year comes to a close, we want to thank all the businesses, organizations, industries and individuals who took the time with the students to show them our community is a great place to live, work and raise a family.

Congratulations to Claire Bradford, this year's winner of the \$500.00 Chamber SAB Scholarship for having the most volunteer hours!

**Don't Be Fooled Drive Thru Event** was held on April Fools Day at the Lincoln County Fairgrounds. Attendees were given information to help them deal with potential predators and know what to watch for, and the opportunity to have personal documents shredded on site by **Document Destruction**. Stops included the **Lions Club** collecting unneeded eye glasses, **HH Lincoln Health** offering blood pressure screening, **LC Heath Department** gave away medicine lock boxes and daily pill holders. **South Central Human Resource Agency & Vision Behavioral Health Services** were on hand to provide information regarding their programs and services available for senior citizens. We appreciate assistance with the event from Troy Smith and students from Computer Application Class and members of the chamber Student Advisory Board. Additional contributors include: Park City PC, FPU, Bank of Frankewing, Regions, US Bank, RFCU, EMA, FLC Senior Center, Frito Lay, Higgins Funeral Home, FLC Museum, Bank of Lincoln Co, 2nd Harvest Food Bank, Thanks also to the **Lincoln County Fair Association**, and **Fayetteville Police Department** for assisting in the event. This event was sponsored by the **Better Business Bureau & FLC Chamber of Commerce & Tourism Bureau**.

## April Education Committee

The April meeting of the Education Committee met at Fayetteville Middle School to tour the career exploration lab which is utilized to introduce 7th grade students to a variety of career options through hands-on activities. Students rotate through models which range from phlebotomy to drone operation. It is the goal of the program to assist students in finding their career path while introducing them to real world applications of academic skills.
