## Washington-(11-11-15)Senator Isakson (Ga-R)on foreign policy and the United States' engagement with ISIL:

Isakson noted, "With ISIL, somebody that will cut your head off or burn somebody in the town square, you can't negotiate with them. You've got to kill them, and you can't do it without troops on the ground. Not a ground war like we had in Iraq or Afghanistan, but Special Operations forces to take the heat to them. Until we begin to make them pay the price for what they've done, they will run rampant."

## Judge to hear appeal of denial of eminent domain to build pipeline across Georgia to Jacksonville

## Collaboration with CNN Investigates Use of UAVs for Newsgathering

In June 2014, the Georgia Tech Research Institute (GTRI) and CNN launched a joint research initiative to study the use of unmanned aerial vehicles (UAVs) for newsgathering. In January 2015, CNN signed an agreement with the Federal Aviation Administration (FAA) to share the results of the research. The project is now gaining momentum as researchers shift their focus from evaluating UAV equipment to developing potential protocols for safe operations. (Ga Trend)

## Georgia's graduation rate increases significantly

Georgia's 2015 high school graduation rate rose significantly, from 72.5 percent in 2014 to 78.8 percent in 2015. This represents the fourth straight increase in the state's graduation rate. "The 2015 graduation rate shows that our schools are working harder and smarter than ever to ensure our students receive their diploma, something that affords them the opportunity to move on to postsecondary education, the military, or directly into a meaningful career," State School Superintendent Richard Woods said. "I expect we will continue to see the graduation rate increase as we provide more personalized graduation plans with multiple paths to graduation." (Ga Trend)

## Federal court to Obama: Stop spying on the American people

A U.S. judge on Monday ruled against the National Security Agency's collection of Americans' phone records that has outraged a growing number of citizens who say they never signed on to giving up their rights for the still inadequate national security. The NSA's spy program had been scheduled end by the Nov. 30, 2015, but the federal court ruling is considered a legal precedent that may be used to prevent or halt another abuse of power by the Obama administration or a future occupant of the Oval Office.

Judge Richard Leon of the U.S. District Court for the District of Columbia asserts that the current high-tech spy program "likely violates the Constitution" and said he believes "the loss of constitutional freedoms for even one day is a significant harm." "This court simply cannot, and will not, allow the government to trump the Constitution merely because it suits the exigencies of the moment," Leon wrote in his 43-page decision "The government's position that VBNS may no longer be a participant in the program is fundamentally at odds with its ever-escalating concerns of terrorist threats," Judge Leon said.

"It defies common sense to argue, as they apparently do, that the government has chosen to omit from this breathtakingly broad metadata collection program a provider that the government has [spied] in the past and that, presumably has the infrastructure to continue assisting in that surveillance," said Leon.

## CLEAN FRIDGE

National Clean Out Your Refrigerator Day is November the 15th. Due to our hectic lifestyles this task often gets neglected. If your refrigerator is not clean, germs and bacteria can grow in the spilled food possibly causing an unhealthy situation. Some germs can grow in cold temperatures as well as they do in warm temperatures.

This is the perfect time to clean the inside of your refrigerator from top to bottom. Let's get ready for all the holiday food with a clean refrigerator!

Use warm soapy water to clean the tops and bottoms of the shelves and the walls. A toothbrush can be handy when trying to clean the corners and crevices.

To keep the refrigerator smelling fresh, place an opened box of baking soda on a shelf.

Remember to keep your refrigerator at or below 40 degrees F and place raw meats at the very bottom so liquids do not drip on other foods.

"Is your God a great God or a little God?" asked a well-known skeptic of an elderly gentleman known for his deep love of God.  
 "Well," he said after a moment's thought, "He's both. He's so great that the heavens cannot contain him, and He's so little that He can live within my heart!"  
 This is the identical way that the writer of Psalm 46 spoke of his God: "The Lord Almighty is with us; the God of Jacob is our fortress."  
 We often have questions about God's involvement in our everyday affairs and concerns. "Are my personal problems, even though they are small and only matter to me, important to Him? When I have the flu and feel horrible, does it make any difference to Him? What about the threat of violence, terrorism, children being gunned down at school? What about the preacher being tried in Iran as a heretic? What about the war in Afghanistan?"  
 "The Lord who is Almighty," said the Psalmist, "is with us" - not may be or should be or will be - but is with us this very moment. Wherever we are - He is. From our smallest need to our greatest problem He is with us and is always ready, willing and able to do His will for us and through us. Yet, there is more: He is not only with us, but He is our fortress. When this Psalm was written, a fortress was a place of security and safety. It was built on an isolated, elevated place to provide protection from the enemy. It was the place to go if an enemy was approaching.  
 What powerful thoughts: Our God is an Almighty God who cares for each of us and protects us from any threat in life.

AN AIRPLANE WAS ABOUT TO CRASH; THERE WERE 5 PASSENGERS ON BOARD, BUT ONLY 4 PARACHUTES.

THE FIRST PASSENGER, HOLLY MADISON SAID, "I HAVE MY OWN REALITY SHOW AND I AM THE SMARTEST AND PRETTIEST WOMAN AT PLAYBOY, SO AMERICANS DON'T WANT ME TO DIE." SHE TOOK THE FIRST PACK AND JUMPED OUT OF THE PLANE.

THE SECOND PASSENGER, JOHN MCCAIN, SAID, "I'M A SENATOR, AND A DECORATED WAR HERO FROM AN ELITE NAVY UNIT FROM THE UNITED STATES OF AMERICA." SO HE GRABBED THE SECOND PACK AND JUMPED.

THE THIRD PASSENGER, BARACK OBAMA SAID, "I AM THE PRESIDENT OF THE UNITED STATES AND I AM THE SMARTEST EVER IN THE HISTORY OF OUR COUNTRY, SOME EVEN CALL ME THE ANOINTED ONE'. SO HE GRABBED THE PACK NEXT TO HIM AND JUMPED OUT.

THE FOURTH PASSENGER, BILLY GRAHAM, SAID TO THE FIFTH PASSENGER, A 10-YEAR-OLD SCHOOLGIRL, "I HAVE LIVED A FULL LIFE AND SERVED MY GOD THE BEST I COULD. I WILL SACRIFICE MY LIFE AND LET YOU HAVE THE LAST PARACHUTE. "THE LITTLE GIRL SAID, "THAT'S OKAY, MR. GRAHAM. THERE'S A PARACHUTE LEFT FOR YOU. AMERICA'S SMARTEST PRESIDENT TOOK MY SCHOOLBAG."

# Brunswick Stew

## Secret Recipe

**First the sauce:**  
In a 2 quart sauce pan, over low heat, melt ¼ cup of butter then add:  
1¼ cups Catsup  
¼ cup French's Yellow Mustard  
¼ cup white vinegar

**Blend until smooth, then add:**  
½ tablespoon chopped garlic  
1 teaspoon coarse ground black pepper  
½ teaspoon crushed red pepper  
½ oz. Liquid Smoke  
1 oz. Worcestershire Sauce  
1 oz. Crystal Hot Sauce or ½ oz. Tabasco  
½ tablespoon fresh lemon juice

**Blend until smooth, then add:**  
¼ cup dark brown sugar  
Stir constantly, increase heat to simmer (DO NOT BOIL) for approx. 10 minutes.  
Makes approx. 3½ cups of sauce (set aside - to be added later).

**Then The Stew:**  
In a 2 gallon pot, over low heat melt ¼ lb of butter then add:  
3 cups small diced potatoes  
1 cup small diced onion  
2 14½ oz. cans of chicken broth  
1 lb baked chicken (white and dark)  
8-10 oz. smoked pork

**Bring to a rolling boil, stirring until potatoes are near done, then add:**  
1 8½ oz. can early peas  
2 14½ oz. cans stewed tomatoes - (chop tomatoes, add liquid to the stew pot)  
The prepared sauce  
1 16 oz. can of baby lima beans  
¼ cup Liquid Smoke  
1 14½ oz. can creamed corn  
Slow simmer for 2 hours

**Yields 1 gallon**  
Most cooks ,not all, eat the next day, after all the flavors have had a chance to blend.
