

## 2020-2021 Senior Community Center Grants - \$2 Million

The present COVID-19 pandemic has adversely impacted senior community centers (SCCs) and the programs and services they provide to participants. On behalf of Governor Tom Wolf, the Pennsylvania Department of Aging (PDA) is pleased to announce \$2 million in grant funding to be awarded equally to all Area Agency on Aging (AAA)-affiliated SCCs for the fiscal year 2020-21 to help support centers in a variety of ways.

Unlike previous years, the grant funding will not be awarded through a competitive grant process and SCCs are not required to apply for the funding. PDA will provide the grant funding to the AAAs who shall disburse the grant funding equally amongst its eligible centers. Eligible SCCs are centers currently in existence with a contractual relationship with the AAA in accordance with APD #96-04-01, whether operational or temporarily closed due to the COVID-19 pandemic. Satellite centers, centers that will remain permanently closed, and any other center that does not currently have an existing contract with the AAA are ineligible for funding. PDA shall validate the operational status of each AAA's list of current centers.

Each AAA can expect to receive approximately \$4,500 (final amount to be determined at the time of disbursement) for each eligible SCC in their planning and service area and shall allocate the funds to each center within 30 business days of receipt of the funds from PDA. Each eligible SCC will have the flexibility to use this funding for a variety of purposes to best meet the needs of the center and their participants during this pandemic. There is no AAA administrative fee for disbursing this funding to the SCCs.
