COVID Procedures and Rules:

MVNEA will be following any epidemic orders that are in place at the time of the event. As such, the following **may** be required:

- Masks must be worn by players and all people in the tournament room at all times; unless actively eating or drinking; players should be sitting at a table if eating or drinking.
- All guests will be given temperature checks by Soaring Eagle employees before they can enter the resort.
- Players must respect social distancing rules and remain 6 feet from other players and staff at all times.
- If a player is feeling ill or running a fever, they may not attend.
- Hand sanitizer and sanitizing stations for games will be available in multiple areas.
- Due to any limitations on the number of people in the room, spectators may not be allowed at this time.
- We urge all players to frequently wash their hands. As current epidemic standards are updated, the procedures and rules will be updated as well. In the event that we can open the room to more people; we may be able to invite spectators at that time. A final set of procedures and rules will be given to charter holders just prior to the event if any updates have taken place. Thank you for making this a fun and safe event!
