

**I hope you enjoy the video drawing & painting these happy dogs!**

This watercolor design is one that I have on various items (shirts, stickers, masks, magnets, pillows, mugs, etc).

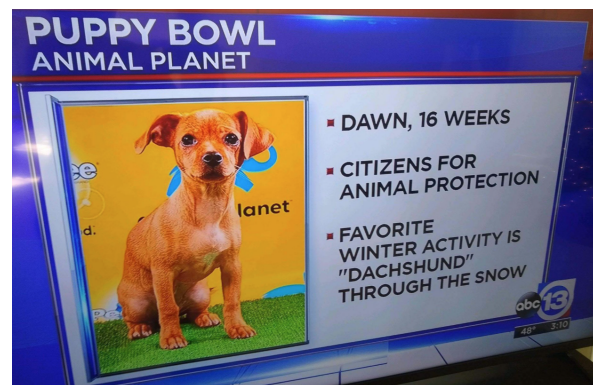

Following pages are just a small sampling.

Since my family fosters animals thru our local shelter, we will use the portion of proceeds we receive from the merchandising partner for this design to help care for our fosters. For more information and pictures of the fosters we take care of, see "[Abby's Pet Fostering Team](#)" page on Facebook. *Note, if you have ever watched the PUPPY BOWL on Animal Planet we have had 3 of our fosters make it to the big game!*
