## **Sample feedback:**

1. "Now to your presentation. **WOW is what comes to mind.** Your passion and enthusiasm is contagious and exactly what our team needed. Everyone raved about you as they normally do but beyond that I feel you really made an impact on many personally and professionally including myself. Thank you for coming up and delivering such a powerful message, you have made a difference for our team."

2. “Lincoln, I want to thank you. The Lou Fusz Group absolutely LOVED “the Passion Workshop!” The one word that Phil Fusz, VP of Variable Operations, used was, “AWESOME!” He said that everyone got a lot out of it and that they want to ask you to come to St. Louis at some point in the future to do this for their entire management team and staff. I expected no less than these rave reviews but what you don’t know is that this group has been wavering in their “belief” during the first half of this year. Thank you for helping to make them a “RAVING FAN” ....again and to ignite their “PASSION!”

Kevin Alfultis, Major Account Consultant.

3. I have heard Lincoln speak on at least 3 occasions. He knows how to capture and audience. He is a very engaging speaker and speaks from the heart, with years of personal experience. **He is a great storyteller.**
