

Garage

Our Garage offers an extra heavy-duty floor that will easily support your vehicle. It comes standard with 1 fiberglass walk-through door, 1 2'x3' window, 8' sidewalls, and a full 9' wide overhead door. Ideal for vehicle or workshop.

Lofted Garage

Our Lofted Garage comes with all the same standard features as the garage, but also has a loft for your added storage needs. This unit comes with 6'3" sidewalls

Lofted Barn

Our Lofted Barn style offers the most floor space for your money with a spacious main floor and added (up to 85% more) storage space in the loft area. This unit comes standard with a full 6' 3" sidewall height.

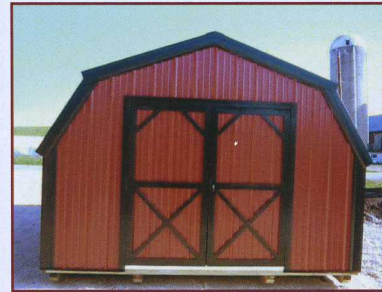

Lofted Garden Shed

Our Lofted Garden Shed style is a close relative to our Lofted Barn, it has doors on the side and 2 windows as standard features.

Utility

Our Utility is a fine all-around choice with plenty of flexibility in storage or workshop applications. The adaptability of this building is sure to satisfy a wide variety of uses. It comes standard with 6'3" or optional 7'8" sidewalls.

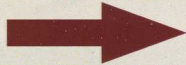

Mini Barn

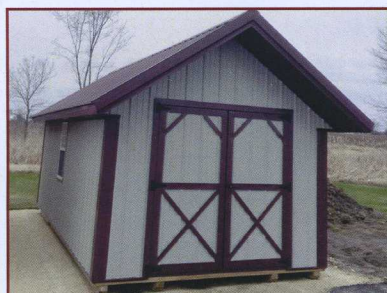

Our Mini Barn is the most economical building we have to offer and has excellent styling. This model has 4' sidewalls and looks sharp in any yard.

Quaker

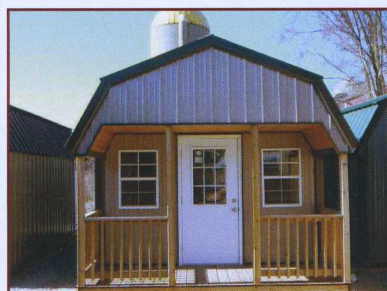

Our Quaker style is a nice addition to any backyard. It comes standard with 2 windows and double doors. Optional shutters and flower boxes makes it an even more attractive building.

Check out all the additional options that you can add to your building. 

Victorian Shed

The Victorian Shed comes with a standard steep pitched roof as well as a 24" front overhang and 4' loft area in the rear. These features make this shed a very aesthetically pleasing choice for anyone.

Lofted Cabin

Our Lofted Cabin includes 3 windows, a fiberglass exterior door, 6'3" sidewalls, and a full-width front porch as standard options. The loft provides added storage without cluttering the main floor area.
