Crossroads House is...

A home filled with love and support with our staff and volunteers providing individualized care for those who have been medically determined to be in the last three months of their lives.

An alternative to hospital or nursing home stay when care can no longer be provided in their own home.

Our aim...

Is to provide personalized care and support to the resident and their family in a homelike setting.

Our approach is holistic: physical, emotional, spiritual, and social needs are addressed, affirming a dignified quality of life.

The resident, family & friends...

Are encouraged to participate in the decision making process regarding all aspects of end-of-life care.

Crossroads House Admission...

Is available at any time, for up to two residents who reside in Genesee and surrounding counties. Preference is given to those who can no longer be cared for in their own home.

Admission is based solely on need, regardless of religion, age, sex, race or other distinctions.

Each resident must be under the care of a certified home health agency for proper medical case management.

Staff...

Is composed of RNs, LPNs and Aides, all complemented by specially trained and dedicated volunteers.

Referrals...

Can come from physicians, hospital social workers, discharge planners, healthcare agencies, clergy, individuals, family or any other source.

The Lord said to his people, "Stand at the **crossroads** and look. Ask where the best road is. Walk in it, and you will live in peace". Jeremiah 6:16

Crossroads House is a non-profit organization that provides personalized comfort care 24 hours a day, 7 days a week. All services provided by "Crossroads House extended family" (our staff & dedicated volunteers) are **without charge to the resident or family**

I can't even express how absolutely happy I am that we were referred to Crossroads for my grandfather. He thought he was home when he got there and that meant more to me than anything.

Crossroads House relies solely on community support. Funding comes from memorials, donations, fundraising and grants. We receive no insurance reimbursements or government aid. Financial support from the community ensures the continuation of our unique ministry, therefore all gifts are graciously received and appreciated.

Thank you all so much for the excellent care you gave my Dad and the love you showed to him and my whole family. Love you all and thank you so much.
