

*What if everyone could leave this world embraced by love?*

There comes a point when all the words have been said, the tears have been shed, and a tight hug is the best comfort for a weary soul. Our founder [Kathy Panepento](#) (pictured) models love in action every single day and she trains willing hearts to do the same. At [Crossroads House](#) we will accompany your loved ones who are facing their last days, and we consider it the highest honor! For over 22 years, we have shared that journey with more than 530 precious residents and their families. Their journey may have involved:

- ...telling their story to the world in our newsletter or on our monthly radio broadcast,
- ...having a Birthday party **every day** for a week,
- ...having their son prepare what would become a final meal (chicken fried rice!),
- ...or enjoying a martini every evening at 5:00.

No matter what is going on in the world outside the walls of **11 Liberty Street**, memory-making is always happening inside of them. This has been a challenging year for many businesses and nonprofits who depend upon the support of the community to keep the lights on. Our experience has shown us that event-based fundraising can be interrupted, and that our faithful donors can help us sustain our mission. During the next few weeks as you write out your holiday gift list, would you consider penciling in **Crossroads House**? For a small monthly gift, perhaps the cost of a drive-thru meal for 2, you will provide future end of life caregiving for families who **will never receive a bill**.

As a two-bed comfort care home that does not receive government assistance or insurance reimbursement, we can only do what we do, because of you! Thank you, ever so much, for considering **Crossroads House** in your charitable giving, where 100% of your dollars stay local.

With Grateful Hearts,
