

News From Crossroads House

Our goal is to provide care and support with love and dignity to individuals and their families as they journey through the dying process. We deliver the very best in comfort care to Genesee, Wyoming and surrounding counties.

Our beautiful NEW Sign that graces the front of Crossroads House made possible by a donation in memory of one of our founding volunteers

No individual should have to experience death in isolation. Crossroads House has a prime responsibility to afford our residents and their families the opportunity to spend quality time at the end of life. This service assures that death will not be the end of the relationship since the memory of this time will remain with the family.

Crossroads however does not exist in a vacuum and needs caring people and funds to continue to help our community. We receive no reimbursement for the services provided and continue to function through donations and fundraisers. We are dependent on our business community and individual donors to continue serving the needs of those actively dying and their families.

Please consider assisting the mission of Crossroads through donation of funds, supplies or, volunteering at the house. Doing so, in any capacity will help the continuation of this community's needed assets.

As Always, we thank you for your support. and continue to depend on it.

Crossroads House has gone through many changes over the past year BUT

There are 3 constants that have not and will not change:

- 1) CH mission is still the same.
- 2) Our volunteers continue to give freely of themselves in caring for our residents.
- 3) Your support continues to enable us to be the best of the best in Comfort Care.
