To Whom It May Concern:

Myerlee Manor is a four (4) story condominium. The Association contracted the services of Steve's Painting, Inc. for the exterior painting of the building.

The type of service, workmanship and customer satisfaction provided by Steve's Painting, Inc. was impeccable and we would highly recommend them for all your painting needs.

Steve's Painting, Inc. was very competitive with pricing and has proven to be an honest and dependable subcontractor.

Sincerely,
