

**HERONS GLEN  
MEADOWS HOA  
North Fort Myers FL**

To Whom It May Concern:

Last October Steve's Painting, Inc., was hired to steam clean our tile roofs, steam clean and paint the exterior walls. We have 50 homes in our section of Herons Glen called the Meadows.

The work was done in a very professional manner. They started and completed on time. They cleaned up after themselves. The workers were very hard working and friendly. The price was competitive. The homeowners were very satisfied with the work that was done. We would highly recommend Steve's Painting, Inc.

Sincerely,

Banks Williams  
President
