Attn: Steve and Andrew

Dear Steve and Andrew:

Please let this correspondence serve as a recommendation from Povia Paints regarding the performance of Steve's Painting Company. I have personally had the pleasure of working with Steve and Andrew on two large projects, one at Health Park and the other at Bella Rosa, and their quality and service is impeccable.

Povia Paints has a select group of contractors we promote and warrant and we are happy to add Steve's Painting to our list of certified applicators. I highly recommend Steve's Painting for consideration in any new construction or repaint project.

Please feel free to contact me with any questions regarding my positive experiences with Steve's Painting.
