ANTIQUE TRACTOR RULES - 2025

1. Antique class tractors must be 1957, or older
2. 4mph speed limit in all classes
3. All tractors must have manufactured clevis no pulling hitches
4. All tractors must have original drawbar
5. Drawbar height maximum will be 20"
6. There is a 200lb grace limit
7. No cut tires or wheelie bars
8. PTO must work if it came with the tractor
9. Speed Limit: 4 mph
10. Driver MUST pull in their assigned order!
 - If a driver fails to pull in the correct order, they may be disqualified.
 - Only one Tractor/Driver per class
11. No reckless driving – including digging holes.
12. Tractors will be stopped if the front wheels are more than 18" above ground.
 - Judged by flagman
13. Operator must remain seated in a safe manner
14. Loss of weight or any part any part of the tractor during pull will be grounds for disqualification
15. All drivers pull at their own risk.
 - Neither Gas-Lite nor any sponsor will be held responsible for any accidents, deaths, or injuries!
16. Antique tractors cannot have a turbo
17. Two sizes above stock tires
18. No press steel wheels allowed unless they came factory on the tractor

FARM STOCK TRACTOR RULES - 2025

1. 5mph speed limit
2. NO CUT TIRES or special pulling tires built by some tire companies.
3. Speed limit is 5 mph in Farm classes, MPH judged by board at end of track. Once over the limit is first warning, twice over the limit is disqualification.
4. Stock draw bars, NO pulling or homemade hitches.
5. Loss of weight at any part of Tractor during pull will be grounds for disqualification.
6. Violations of any rule shall constitute a disqualification. All judges' decisions are final.
 - Arguing with judges will not be tolerated; this behavior will make you eligible for immediate disqualification.
7. Drawbar height maximum will be 20" to the top of the clevis.
8. Tractors will be stopped if the front wheels are 18" above the ground. At the Flagman's discretion.
9. All pulls must start with a tight chain and be straight with the sled, and contestants will be allowed two consecutive attempts and 100 feet to start the sled.
10. Driver MUST pull in their assigned order! If a driver fails to pull in the correct order, they may be disqualified. Only one Tractor/Driver per class.
11. Tractors will have hoods, grills, and a seat. On fuel only unless your tractor starts on one fuel and runs on another.
12. Tractors must have working hydraulics and PTO if it came from the factory that way.
 - 13.200lb grace
14. Any issues with someone else's tractor it MUST be addressed at the Driver's meeting before the pull starts.

We want you all to come and have fun!!!
