RSVP for DDH 2024

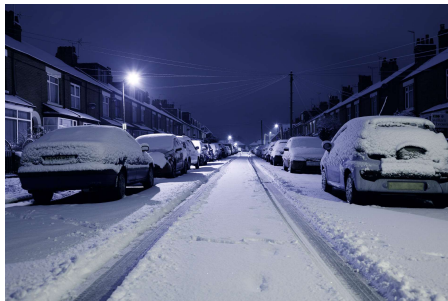

[Follow this link to register for DDH 2024 Events.](#)

Please Note: The deadline to request accommodations is February 1st, 2024.

Disability Day on the Hill is our chance to gather as a community and take part in the legislative process. In 2024, we will have opportunities for the Tennessee disability community to participate, advocate, and celebrate both in-person and virtually!

DSP APPRECIATION FROM OUR EXECUTIVE DIRECTOR

I wanted to say thank you SO MUCH to everyone that braved the roads and negative temperatures to make sure, all the men and women we support had staff, food and warm shelter! This type of snow storm happens less than once a decade here, and this one was as big as any I've seen (several staff told me they moved here from up north to get AWAY from this weather lol) I talked with County Administrators every day last week and heard LOTS of names of DSPs that stepped up..slept over..came in extra...did whatever was needed for an entire week! They appreciate you-I appreciate you- everyone in administration has heard your stories and appreciate you! Mostly, of course, the ladies and that appreciate you!
As tough as that was- there is something kind of special about a 'family' pulling together to do whatever must be done -
THANK YOU for being part of the Skills FAMILY!!!

Jane

TULLAHOMA'S DAY PROGRAM COOK OUT

Tullahoma's day program had the great fortune of hearing the musical stylings of Michael Arnold. Fun was had by all as dancing, water gun fights, and fantastic food were all part of the day's festivities.
