The Johnston Chamber is an Affiliate of
the Greater Des Moines Partnership.

Encouraging, engaging and advocating for a vibrant community

When I think about my community, I ask myself, "How can I help my neighbor today?" To me, "neighbor" includes not just those in my cul-de-sac but the entire Johnston community. Joining the chamber has allowed me to learn more about Johnston and share what makes it great.

The chamber thrives when its members are active — connecting with one another, supporting fellow businesses, and recruiting new members. Excitement is contagious, and when we're proud to be part of something special, we naturally share it with others.

In 2025, we're focused on fostering this enthusiasm. By attending our enhanced networking events, volunteering at community gatherings, or serving as a host or sponsor, members can help us grow. My hope is to see increased attendance, engagement and retention, all of which contribute to making Johnston vibrant. Whether you have five minutes or an hour, your participation makes a difference.

As your chamber president, I've spent the past six years deeply involved, serving as an ambassador, volunteer, committee leader, board member, and now executive board member. My chamber journey began with a desire to connect with the community I live in.

When I'm not busy with chamber or community events, I work at West Bank, specializing in construction financing for single-family homes and land development. At home, I'm a proud father of three and a supportive husband to my wife, Brianne.

Let's work together to make 2025 a year of connection and growth for Johnston!

WHY

DEVELOP IN JOHNSTON

- ▶ SMART GROWTH.
- ▶ GREEN LANDSCAPE.
- ▶ ACCESSIBLE CITY.
- ▶ PROGRESSIVE THINKING.
- ▶ FRIENDLY PEOPLE.

The City of Johnston's Economic Development team works closely with our elected officials to improve the livability and overall quality of life for everyone who lives and works here, as well as for local businesses.

There's a real buzz in the air as Johnston enters an exciting phase of growth, especially in the Merle Hay Gateway area, which is a major entrance to the city. With new retail spaces, hotel options, and corporate headquarters coming in, we're looking at even more growth ahead. Johnston is where we thrive every day. Families pack the football stadium on fall Friday nights, and they gather in the spring to beautify our parks, trails and Town Center.

We're also making great strides in the northwest annexation area, which covers 1,461 acres. This means new housing, restaurants, and businesses, along with other amenities that will enhance our community. Infrastructure improvements are moving along nicely, and a new Hwy 141 interchange at Beaver Creek Golf Course is in the works, which will really open up the area for development.

We encourage everyone in the Johnston community to stay in the loop. Sign up for our newsletter at www.cityofjohnston.com/enewsletter to get the latest updates on all the exciting developments happening in our city!

In the 2024 business survey, the results revealed:

- **98%** rated Johnston as an excellent place to do business
- **97%** indicated Johnston is very welcoming
- **95%** are very satisfied with the overall feeling of safety
- **68%** think the tax structure for businesses is fair
- **57%** are considering hiring additional staff in the next five years
- **25%** are considering to expand/renovate in the next five years
