Tree Park and Gardens, which is located just south of the Urbandale Public Library. The memorial features five granite columns. Each column is engraved with the insignia of a branch of the United States Military (Air Force, Army, Coast Guard, Marine Corps and Navy). Surrounding the columns is a brick plaza featuring dedication bricks that are engraved with service members' names, branch of service, and conflict they fought in. In the center of the memorial flies four flags: the United States flag, the state of Iowa flag, the city of Urbandale flag, and the Prisoner of War/Missing in Action (POW/MIA) flag.

The Urbandale Veterans Memorial is a partnership between the Urbandale Community Action Network (UCAN), Urbandale Friends of the Parks, the city of Urbandale and private sponsorships. The American Legion post in Urbandale (No. 663) and community members sold bricks to help raise funds for the project. # URBANDALE PUBLIC LIBRARY

The Urbandale Public Library was established in 1961. As the city has grown, so has the demand for its services — so much so that, over the years, the library has called four different locations around the city home. Since 2000, you can find it nestled within the beautiful city of Urbandale campus bordered by Walker Johnston Park.

The library's mission: The Urbandale Public Library is committed to providing diverse resources for life-long learning and enjoyment.

## Urbandale Public Library Foundation, Inc.

The Urbandale Public Library Foundation was created in 1988 to handle donations to further the growth of the Urbandale Public Library. Meetings are held quarterly on the fourth Monday of the month at the library.

The Foundation is a tax-free entity, so all contributions are tax-deductible. Memorial contributions can also be made to the Urbandale Public Library Foundation. All memorials are posted in the lobby with the name of the person you are honoring and the donor's name. Books, trees, benches, and special collections are all examples of how memorial contributions have been used in the past.

If you would like to discuss your donation with someone, call the library director at 515-278-3945. ■

@urbandale4thofjuly

uniquelyurbandale.com/fourth-of-july

The Urbandale 4th of July Celebration is the longest-running annual event in Urbandale, dating back to the 1950s. Every year, a group of volunteers puts together this three-day event held at Lions Park. The days leading up to and on the 4th of July are filled with a carnival, street dances, bands, a 5K, a car show, a parade and, of course, fireworks.

# URBANDALE HISTORICAL SOCIETY

BY VIRGINIA GEE

Urbandale celebrated its centennial as an incorporated community in 2017. Helping to provide information for this event were members of the Urbandale Historical Society.

The Society was organized 43 years ago, making it one of Urbandale's oldest existing organizations. From a meeting of a few interested people at the Urbandale Library, the group has expanded to now sponsoring a community-wide celebration — the annual Ice Cream Social, which is held in the summer at the Olmsted-Urban House, 4010 70th St. Families enjoy visiting with friends, listening to music, looking at old cars and visiting the Olmsted-Urban House and the Wayne Robbins Barn.

The initial goal of the Historical Society was to collect, preserve and maintain historical memorabilia of Urbandale for the purpose of education and information. Members chose as their motto, "Preserving yesterday and today for tomorrow."

Materials collected were initially stored in a room at Olmsted Elementary School. When the space at Olmsted was needed for classes, the Society looked for another site. A proposal was even made to build a replica of Urbandale's original two-room schoolhouse to be located in one of the city parks.

Meanwhile, interest was growing in preserving the old farmhouse at 70th and Airline, built by the Olmsted family in 1904. In 1949, the house had been purchased by Karl and Matie Urban, who lived there with their son, John, for many years.

In 1987, the property became available for purchase. Historical Society President

**Urbandale Historical Society**

515-270-2917

[www.urbandalehistoricalsociety.org](http://www.urbandalehistoricalsociety.org)

Madeline Kaloides worked with the finance committee, outside donors, city officials and the city council with a proposal to use Hotel-Motel Tax funds to buy the property. This was quite a challenge for a growing organization that had only been in existence for 10 years.

The purchase agreement stipulated that the Urban name would be retained. Because the Olmsted family, as original owners, had played a significant role in the town's history, it was agreed the building would officially be known as the Olmsted-Urban House.

The Historical Society finally had a headquarters and a place to store and make available historical information and memorabilia related to Urbandale. Filing cabinets were obtained, shelving planned to display artifacts, reference materials arranged and years of clippings and photographs organized in notebooks by subject matter.

The house was structurally sound, but city regulations required foundation repair, upgrading the entire electrical system, making the house handicapped accessible and providing a new paved parking lot. Renovation of the interior and choice of décor and furnishings took place over the years with the work of special committees, many volunteers and consultation with several Questers groups. The house was meant to help depict — for school children, youth groups and other visitors — a sense of what family life in Urbandale was like in the 1920s and 1930s.

The Society celebrated the farmhouse

The Olmsted-Urban House, operated by the Urbandale Historical Society, was built in 1904.

being added to the National Register of Historic Places in 2019.

This is also a place to hold a variety of special activities and program meetings, all open to the public. In addition to the

Open House event held in connection with the Ice Cream Social, other activities are scheduled throughout the year. Take these opportunities to come and learn more about Urbandale history. ■

## City parks

### [www.urbandale.org/Facilities](http://www.urbandale.org/Facilities)

Urbandale offers many beautiful parks and outdoor recreational opportunities around almost every corner. Explore and enjoy the city's 55-plus parks, 50-plus miles of trails and 1,000 acres of parkland. You will find numerous sports fields, open and closed shelters, and facilities for rent.

### All-Inclusive Playground

Located at Northview Park  
4871 78th St. No. 1068

The All-Inclusive Playground located at Northview Park is designed to provide opportunities for children of all ages and abilities (including those with disabilities) to enjoy using the equipment and participate in fun outdoor activities. The playground has a cushioned rubberized surface to help prevent injuries, and the surface is flat to eliminate any barriers to wheelchair users or visually impaired participants.

There are more than 20,000 kids with disabilities in the Des Moines Metro, and most playgrounds do not give these children an opportunity to experience the fun and joy of being outdoors with their peers. Thanks

to the public's support, Urbandale Parks and Recreation built an inclusive playground for children and families of all needs, enhancing the play experience for all metro residents.

The playground is located next to the Urbandale Miracle League field in Northview Park. Northview Park is also the home of the Urbandale Little League complex, owned by the city and leased to the Urbandale Little League.

## Miracle League Field

Located at Northview Park

4871 78th St. No. 1068

The Miracle League is a free baseball/softball league for children with special needs from ages 5-18 and adults 19 and older. The Miracle League is just like baseball. Players will bat, round the bases, catch, throw and hit home runs. Each player has a buddy who gets to assist them, and the game is about making sure everyone participates and scores. And every game ends in a tie! A special rubberized playing surface allows accessibility.

The league is open to all Greater Des Moines residents. To play in the Urbandale Miracle League, register at

[www.Urbandale.org/Register](http://www.Urbandale.org/Register).

## Charles Gabus Memorial Tree Park and Gardens

Would you like to honor a loved one while also helping to beautify the community? Find out how to make a memorial gift at [www.urbandale.org/DocumentCenter/View/2434/MEMORIAL-Program-Tribute-BROCHURE-?bidId=](http://www.urbandale.org/DocumentCenter/View/2434/MEMORIAL-Program-Tribute-BROCHURE-?bidId=). A donation to one of Urbandale's parks offers a unique opportunity to honor the special people in your life. Gifts may be purchased in memory of a friend or relative or to celebrate an anniversary, significant achievement or other special event. Or, you may simply wish to make a contribution by investing in the beautification of local parks for generations of Urbandale residents to enjoy.
