# Autumn Tips

1. Disconnect your hoses.
2. Clean your gutters and downspouts.
3. Check your fireplace.
4. Check all windows and doors to save on winter energy bills.
5. Service your heater and air conditioner and replace filter.
6. Switch your ceiling fan's rotation.
7. Trim tree lines that may be close to power lines or your home.
8. Check your roof to make sure there are no damaged shingles or loose gutters.
9. Make sure your shovel and winter supplies are handy.
10. Top off fluids in car and be sure you have a scraper and blanket in car.

*No act of kindness is ever wasted: Small acts of kindness can change a person's life.*
