**PREVENTATIVE  
CARE PLANS  
AVAILABLE!**

Adult cats, adult  
dogs, puppies  
and kittens

I can't say enough about Dr. Jen and her entire staff. This is the best experience in veterinary care that we have ever received. Our dog became paralyzed through a back injury and Dr. Jen convinced us to treat her with acupuncture and laser treatments. She recovered from this injury and is able to lead a normal life with the full use of her legs. During this entire process I feel Dr. Jen and her staff care for our dog like she was their own pet. **Larry A.**
