Building a stronger, more connected community

Hello, Johnston friends and neighbors! I'm Elizabeth VanGundy, and I'm excited to step into the role of president of the Johnston Chamber of Commerce this year. I've lived in Johnston for most of my life, and after a brief adventure in Columbus, Ohio, I realized quickly that nothing quite compares to being close to family and the community that feels like home. I'm also a married mom of three girls who keep life fun, busy and full of purpose.

In my professional life, I'm a delivery lead at John Deere Financial, where I help teams work together, solve problems and use their talents to their fullest. I enjoy bringing clarity to chaos. Digging in to understand the real challenge and helping build solutions that truly make a difference. My passion for community involvement is a big part of why I'm honored

to serve as chamber president in 2026. This year, we're focusing on a few meaningful priorities: creating a long-term strategic plan, continuing to increase event attendance, and, most importantly, answering some foundational questions about who we are. What is the purpose of the chamber? Why do we exist? What value do we bring to our members and to Johnston?

As our world continues to evolve after COVID, it's more important than ever that we have clear, intentional answers to guide our decisions. I hope you'll join us in shaping the next chapter of the chamber. Together, we can build an even stronger, more connected community.

Elizabeth VanGundy

"We've been members of the Johnston Chamber of Commerce since opening The Cork 50131 in 2022, and I've served on the Chamber Board of Directors since 2024. We have found significant value and community connection in being an active and engaged member of the chamber. The relationship has offered opportunities to network and form relationships with other local businesses and host and be involved in a variety of community events. We look forward to continuing our involvement with the chamber and encourage any Johnston-based business or business person who is not a member to consider joining."

Leif Gustafson
Owner, The Cork 50131

"Children's Cancer Connection joined the Johnston Chamber of Commerce in 2022 when we relocated our headquarters to the community, and becoming a member has been an incredibly rewarding experience. Through the chamber, we've built meaningful relationships and increased awareness of our mission to serve Iowa children and families affected by pediatric cancer. Our staff has especially appreciated the variety of networking and young professional opportunities, which have helped us both grow professionally and become more deeply connected within the community. We're grateful for the chamber's support and proud to be an active member."

Jennifer Hines
Chief Executive Officer,
Children's Cancer Connection

"I've had the opportunity to connect with several wonderful people through the Johnston Chamber. Chambers are an important way for businesses to build relationships and support one another, and we've been fortunate to form meaningful connections and new client relationships through our involvement."

DRAGONS ARE...GRADUATES

Photo by Talon Wanderscheid

Academics is at the forefront of all we do here in the Johnston Community School District. Our graduation rate of 97.39% is one of the highest in the state. Our proficiency rates in English, math and science far exceed the state average. We are home to students chosen for the National Merit Scholarship Program, the U.S. Senate Youth Program and Coca-Cola Scholars. With rigorous and relevant curriculum offerings and real-world learning experiences, our students are leaders in academic achievement.

DRAGONS ARE...CHAMPIONS

Johnston athletics and activities teams embody a spirit of excellence, earning multiple state and national recognitions each year. Just last year, we celebrated 13 state champions and 5 coaches of the year. Our girls basketball, boys soccer, girls cross country, men's golf, wrestling and baseball programs are among those with rich traditions. Our speech & debate program, show choirs, theater department and marching band are also top-notch. We're proud to offer activities to keep students engaged in and out of the classroom.

DRAGONS ARE...FUTURE READY

Johnston students completed 61 internships last year and gained 15,000 hours of career experience. Two students received their AA degree while still in high school. The district is recognized statewide for achievements in skilled trades and hands-on courses such as culinary arts and welding. We also enjoy a robust partnership with Des Moines Area Community College, ensuring our students are career ready. Here at Johnston, we are dedicated to providing our students the necessary tools to succeed after graduation. Your child's future is in good hands.

1926 - 2026

Celebrating One Hundred Years

PIONEER
HUNDRED YEARS

ONE VISION CAN CHANGE EVERYTHING.

In 1926, Henry A. Wallace and the founders of Pioneer revolutionized farming with the commercialization of hybrid corn. America's most planted brand of seed corn began right here in Iowa and continues to lead the way in yield potential. We're proud of our deep roots in the community – and honored to be the one farmers count on when every bushel counts.

The Long Look

Rather naturally, our Company takes a "Long Look" ahead in all of its operations.

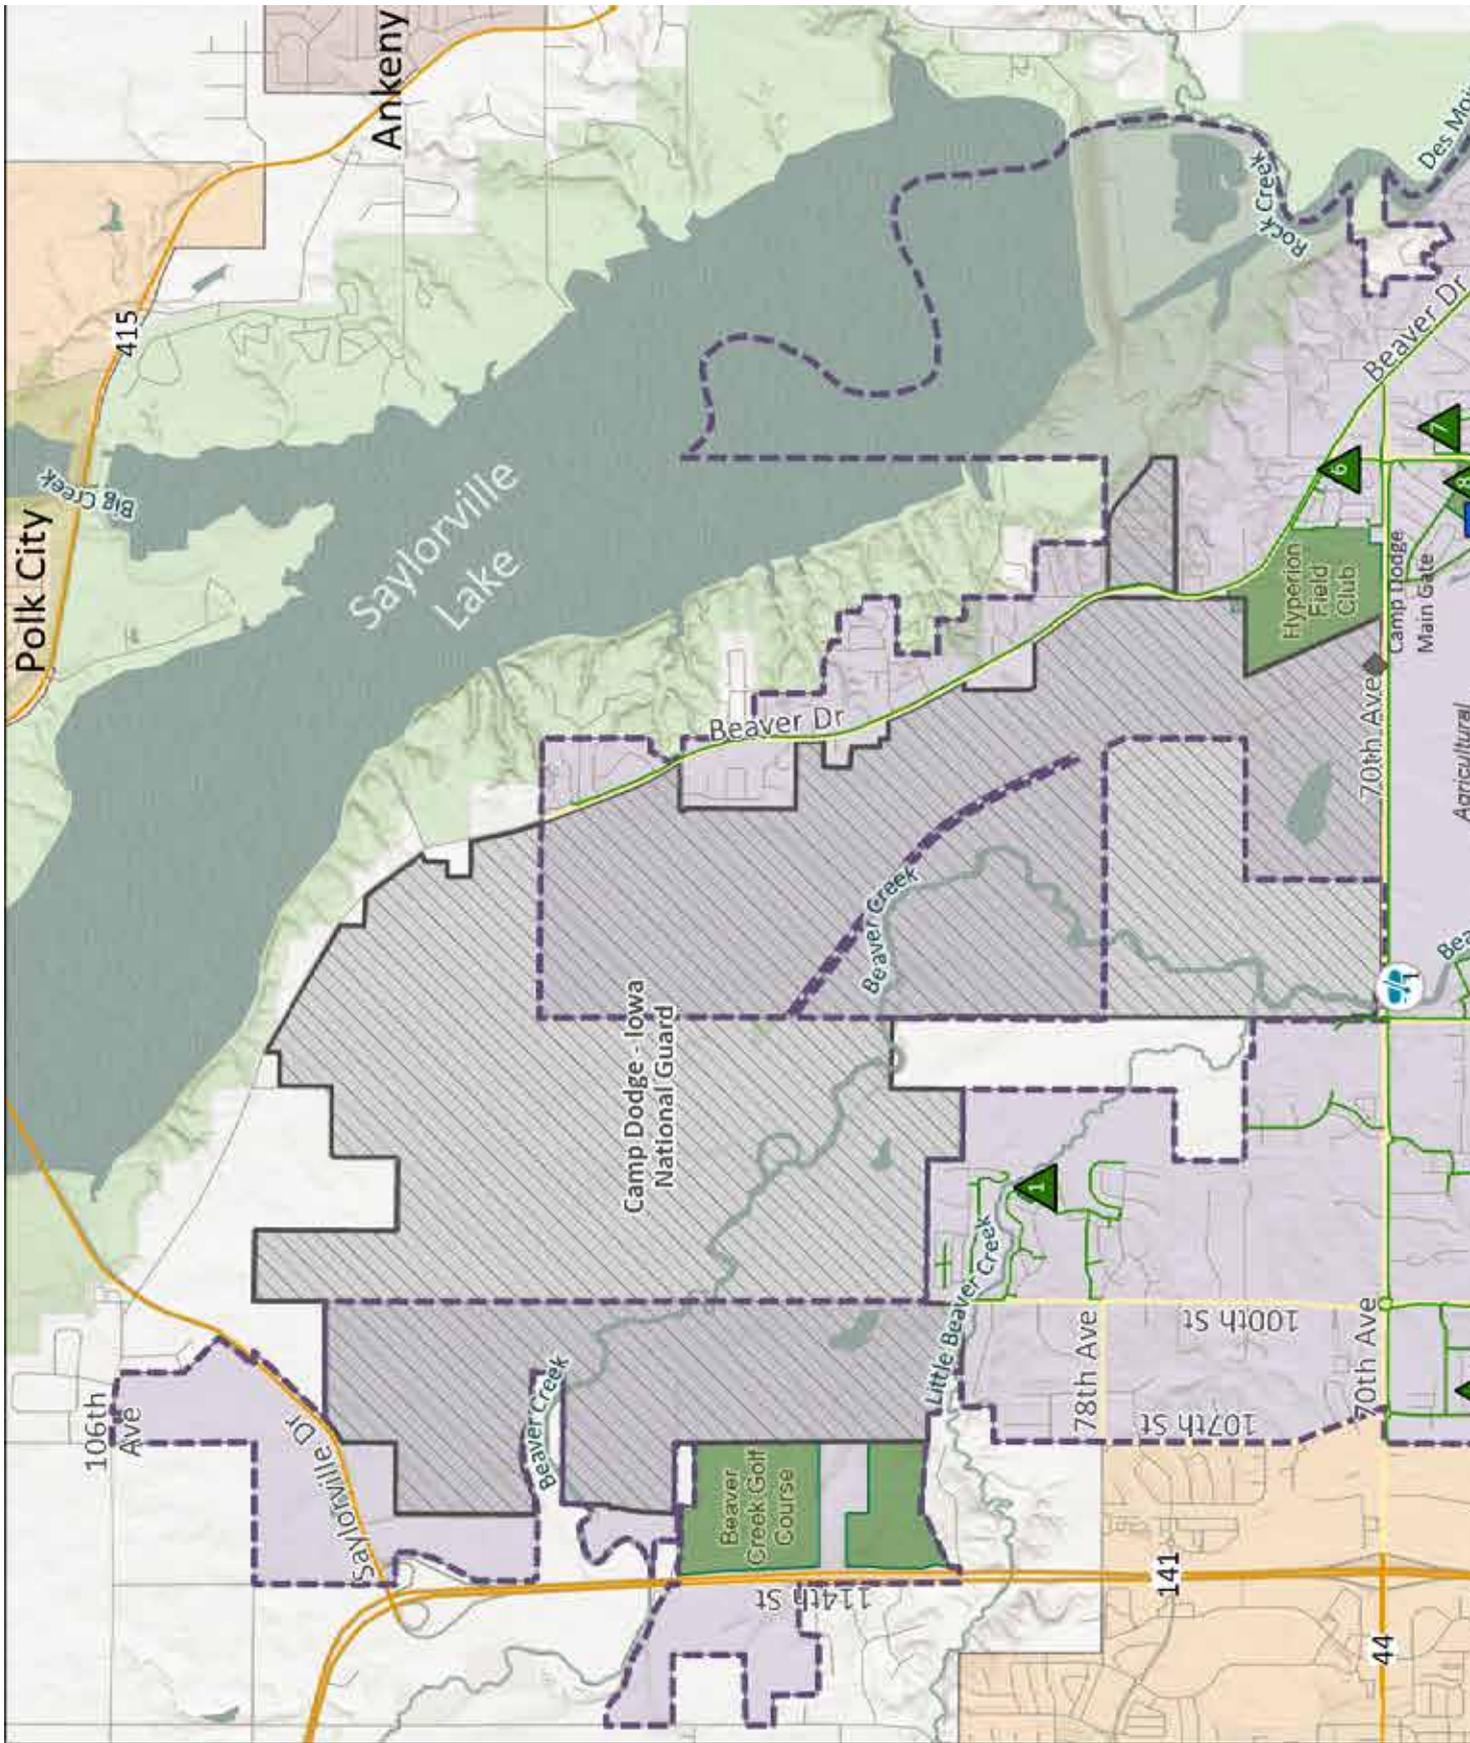

We strive to produce the best products in the market.

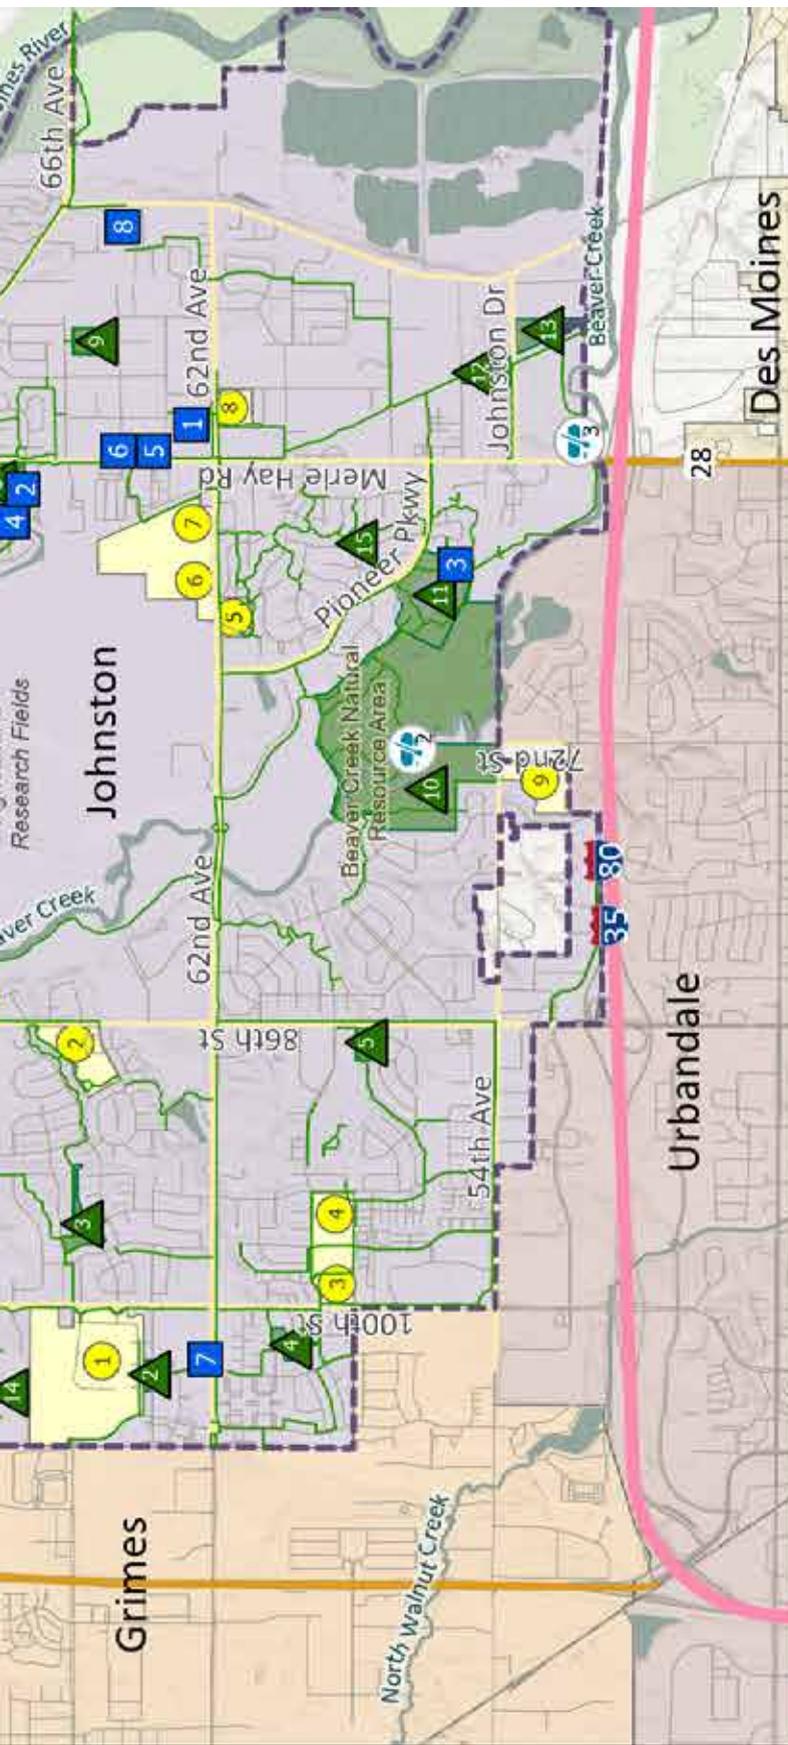

We deal honestly and fairly with our employees, sales representative associates and farmers.

We vigorously defend our products against misrepresentation.

We provide management to assist in making optimal decisions from our products.
