“Cody stopped by after a hail storm. He answered all my questions before even looking at my roof. He was there when the adjuster came. They had a super quick turnaround after we were approved for a roof. They replaced the roof in one day. They did a great job cleaning up the old roof. Super easy to work with and great work! I’d recommend them to anyone. Give them a chance even if it’s just an estimate or to answer any questions.”

WELCOME TO THE ALTOONA CHAMBER

Welcome to the Community Business Guide, your go-to resource for connecting with our vibrant business community of an ever-evolving network of entrepreneurs, professionals and innovators who contribute to our local economy's vitality and diversity. This guide is designed to help you navigate and connect with local businesses and access essential services they provide.

PRESIDENT
Twila Shreves

SUPPORT FOR LOCAL BUSINESSES

As this year's president of the Altoona Chamber of Commerce and a business owner in this community, I have the unique privilege of being on the giving and receiving end of the loyal support of the chamber. Dedicated to advocating for businesses of all sizes from a startup to the long-established company, the chamber provides the tools and resources necessary for a business to thrive by offering networking events, workshops and seminars that encourage collaboration and relationship-building among its members as well as campaigns that drive customers to shop local: The Love Local Campaign in February and 12 Days to Small Business Saturday in November, to name a few.

CALENDAR FULL OF EVENTS FOR THE COMMUNITY

A key component to connecting our local businesses with our community

is hosting events such as the Annual Dinner in April, our award winning Wine & Craft Beer Fest in June, the Golf Outing in July, the Back to School Breakfast for our SEP Teachers and Staff and our Business Trick or Treat in October. From large to small, there is an event for everyone to enjoy.

BUSINESS AND ECONOMIC GROWTH A PRIORITY

By keeping an eye on market trends and economic forecasts, we can be a support during challenging times as well as celebrate successful times with our businesses. We also look forward to inviting new businesses to our community. Businesses that not only compliment our diverse and vibrant landscape, but also contribute to our continued growth.

JOIN US

As part of our commitment to fostering a robust business environment, we invite you to join us. Together, we can advocate for policies that support business growth and strengthen our community. By participating in our programs, you'll not only enrich your own business but also contribute to a thriving economic landscape for everyone.

Thank you for being a part of our Altoona Area Chamber of Commerce community. We believe that, together, we can achieve remarkable things and we look forward to supporting your journey toward success!

REAL STORIES. REAL EXPERIENCES.

“Being newer to the community, I knew joining the Altoona Chamber would be an essential way to grow my network and business! I have found the business community to be immediately welcoming, the programming to be thoughtful and relevant and the relationships I’ve built have made a real impact — both professionally and personally. I’m grateful for the opportunities to collaborate, learn and support fellow members. I’m looking forward to what’s ahead!”

ALLIE JONES Owner, Allie Jones Consulting

“The Altoona Chamber has been a tremendous benefit to Communication Innovators by creating meaningful opportunities to build strong local relationships, expand our professional network and stay connected to what matters most to area businesses. Through chamber luncheons and events, we have been able to engage with other leaders, share ideas and learn from the experiences of organizations across the community. The chamber has also provided valuable opportunities for us to present to other businesses on timely topics that are important to them, allowing us to contribute, educate and strengthen trust. Overall, the Altoona Chamber has helped us grow our presence, deepen partnerships and remain actively involved in the business community.”

KEVIN HYBERGER Sales & Marketing, Communication Innovators

“I began getting involved with the Altoona Area Chamber of Commerce in 2024 by attending various networking events and volunteering as a way to step out of my comfort zone, represent Community State Bank and get more involved with the community that I had recently moved to. Toward the end of the year, I was elected to the Chamber Board of Directors and then to the Executive Board serving as Treasurer. My involvement gradually changed from simply an opportunity to expand my network to one of true passion, servitude and growth. One of my greatest joys is being able to use my experience and knowledge to help make the chamber and our community, a better place to be.”

STEVEN BRUXVOORT Regional & Consumer Lending, Community State Bank

“Prairie Meadows works closely with the Altoona Chamber to help build a strong, vibrant community. This partnership allows us to support initiatives that make a real impact. As a key leader in the local business community, the Altoona Chamber fosters connections that help Altoona thrive — and Prairie Meadows is proud to stay actively involved.”

JULIE STEWART Chief Operating Officer, Prairie Meadows Racetrack & Casino

“Being a member of the Altoona Area Chamber of Commerce has been incredibly valuable to both me and my business, SkinFusion FX. I truly believe you get out of the chamber what you put into it and my involvement has allowed me to build meaningful relationships with other local business owners, learn from respected leaders in our community and connect with fellow entrepreneurs who are navigating similar challenges. The chamber staff is consistently supportive; whether it’s promoting our events, assisting with marketing efforts, or simply showing up to support our business. They do an excellent job organizing community events that spotlight chamber members and strengthen our local business community. Serving on the chamber’s board and now beginning my second term, has given me a behind-the-scenes look at the dedication and hard work that goes into everything they do. It has deepened my appreciation for the organization and reinforced the value it brings to Altoona businesses.”

NIKKI MORGAN Owner, SkinFusion FX

“Since joining the chamber in 2021, I’ve felt welcomed and had many opportunities to network with other business owners through Altoona Area Chamber events. At first, I wasn’t sure how the chamber would support my business, but I’ve been pleasantly surprised by how much they do to connect local businesses and help promote both my business and community events. They were incredibly encouraging and supportive when I had a vision for a community wellness event, which we’ve now successfully hosted for three years! Being a chamber member has also introduced me to many wonderful local business owners and friendships along the way. Thank you, Melissa and Kennedy, for all you do to support our business community!”

NIKKI BARKHAUS Owner, Wholistic Health Center

KYLE MERTZ -

JOSH DUNWOODY

Dean R. O'Connor
Mayor of Altoona

Dear citizens of Altoona,

Here we are, another year has passed and once again I'm filled with pride and gratitude for all we've accomplished together throughout 2025. Our city has grown. Our city has thrived. Most importantly, the people of our community have continued to make Altoona not only a wonderful place to work and play, but a place we're proud to call home.

ROADS AND INFRASTRUCTURE PROJECTS

Over the past year, several key road projects were completed that are already improving traffic flow and enhancing safety for our community. The widening and urbanization of Ninth Street N.E., from First Avenue N. to the Iowa Interstate Railroad, has opened to traffic. Street lighting and final restoration work are scheduled for completion this spring. The second phase of Eighth Street S.E. was also finished, marking another important step in strengthening our city's transportation network and supporting continued growth.

PARKS PROJECTS

A point of pride for Altoona has always been our parks and this year we continued to invest in these wonderful community spaces. Ironwood Park now features a new shelter and a permanent restroom facility, making it even more welcoming for families and visitors. The Spring Creek Sports Complex received new synthetic turf, providing a great surface for athletes of all ages. Play equipment was added at both Phoenix Park and the Sam Wise Youth Complex, giving kids more opportunities to enjoy active, outdoor play. And in Olde Town, a new public plaza was completed, creating a vibrant space for gatherings, events and everyday enjoyment.

ROBINSON PROJECT

Expanding our industrial and manufacturing base has long been a priority for Altoona and this year we were excited to welcome Robinson Inc. to our community. Robinson is a premier manufacturer and a leading contract metal fabrication company and their presence here strengthens both our local economy and our reputation as a great place for business. Thanks in part to RISE grants totaling over six million dollars, the infrastructure improvements made it possible for Robinson to set down roots in Altoona and paved the way for future industrial growth. Over the next four years, Robinson plans to add roughly 400 new jobs, bringing new opportunities and supporting families across our city.

None of the progress we've made would be possible without the continued support and dedication of our residents, city staff and city council. Your hard work, partnership and genuine care for our community are what make Altoona such a special place. I am truly grateful for the role each of you plays in shaping our city and helping make it a place we're all proud to call home.

As we look ahead to 2026, I'm excited about what's in front of us and confident in what we can accomplish together. Our strength has always come from the way this community shows up for one another and I know that spirit will carry us forward as we reach new milestones and build an even brighter future for everyone who calls Altoona home.

Thank you for being a part of this incredible journey,

Dean R. O'Connor

CHAMBERS OF COMMERCE

are treasure troves of knowledge, expertise and resources. They offer valuable tools and resources, such as business guides, market research, industry reports and training programs. These resources empower businesses with the latest information, trends and best practices, enabling them to make informed decisions, improve operations and stay ahead in their respective industries. Furthermore, chambers frequently host educational seminars, workshops and leadership development programs, nurturing the professional development of their members.

Community engagement and support: Being a member of a chamber of commerce enables businesses to actively engage with their local community. Chambers often spearhead initiatives and events that promote economic development, social causes and philanthropy. By participating in community-oriented projects, businesses build goodwill, strengthen their reputation and establish themselves as responsible corporate citizens.

Joining a chamber of commerce offers businesses a multitude of benefits that can significantly impact their growth, profitability and sustainability. The networking opportunities, advocacy and representation, business promotion, access to resources and community engagement that chambers provide can prove transformative for organizations of all sizes and industries.

Southeast Polk School Community District

SEP School District Vision & Mission

**LEARN.
LEAD. LIVE.**

Success for college, career and civic life.

Engage all students in learning a challenging curriculum delivered through quality instruction.

Southeast Polk School District has been building greatness for more than 60 years! Located in the vibrant and growing heart of central Iowa, with strong community support, we're proud of our history as an award-winning leader in academic excellence, performing arts and athletics. Our students and staff are recognized at the national and state levels. Our focus on career preparation ensures our graduates succeed in college, career and civic life.

SEP is a growing district rich in tradition and community pride. With a student population exceeding 7,500 from preschool through 12th grade, our district continues to flourish. We are a community of communities spanning 114 square miles in southern Polk County, proudly employing approximately 1,200 dedicated professionals and serving the communities of Altoona, Pleasant Hill, Mitchellville, Runnells, Des Moines and surrounding areas.

Since its founding in 1961, the Southeast Polk School District has been committed to progress, innovation and excellence. Voter-approved referendums in 2020 and 2025 reflect strong community confidence and have fueled transformational growth across the district.

Key 2020 Referendum highlights include:

- State-of-the-art instructional technology in every classroom.
- A much-needed renovated softball complex.
- A new multi-purpose stadium serving hundreds of athletes, band members and high school students.
- Land acquisition for a future elementary school.
- An award-winning, state-of-the-art, new 6-7 grade middle school, designed with flexible, technology-rich classrooms that foster creativity, collaboration and dynamic learning and include dedicated spaces for Music, Art, STEM and Physical Education.
- The transformation of the Spring Creek 6th Grade Center into the new District Office and Alternative Programs facility.

With these advancements, we restructured our student progression model to ensure smoother transitions:

- Elementary school (preschool-5th grade)
- Middle school (grades 6-7)
- Junior high (grades 8-9)
- High school (grades 10-12)

This framework supports students' academic, social and emotional growth at each stage of their educational journey.

The highly anticipated Skilled Trades Extension Center, fully funded by generous donations from local organizations and vendors, has also opened! In a unique, hands-on learning opportunity, SEP Industrial Technology students helped construct the facility themselves, gaining valuable real-world experience. The center now serves as a premier hub for career and technical education, preparing

students for high-demand careers in the skilled trades.

But more exciting advancements are still on the way! With the passing of the 2025 Referendum, Southeast Polk continues its commitment to success for every child.

The key projects in this plan include:

- Build, furnish and equip a new elementary school, including district-wide dedicated preschool and transitional kindergarten classrooms.
- Upgrade playgrounds at all preschool-5

schools, focusing on safety and accessibility improvements for all students.

- Renovate the Jr. High (grades 8-9), relocating the main office to the building entrance to improve safety and accessibility while also expanding the common areas to better serve students.

At Southeast Polk, our commitment to excellence remains steadfast. Every project and initiative is driven by our goal to enhance learning experiences and

create opportunities for success. We are excited about the future and will continue to build greatness for years to come!

Stay connected with everything SEP by following us on social media @SEPSchools and visiting our website at www.southeastpolk.org!

SEP CSD is always looking for dedicated individuals to join our Ram Fam and make a difference in a child's life. Visit southeastpolk.org/careers to learn about our career opportunities.

Celebrating Fifty Years of

SERVING IOWANS.

From humble beginnings in Clarinda to communities across the state, we've grown side-by-side with you. Your dreams have fueled us and your trust has guided us. And every step of the way, we've been proud to make it happen together. Here's to 50 years of shared stories and one shared future. We're honored to be part of your past and even more excited for what lies ahead.

BIG EQUIPMENT. BIGGER OPPORTUNITIES.

Ziegler is a family-owned company committed to servicing its customers, employees, and the communities where we live and work for over 100 years. Ziegler sells and services the full line of Cat® construction equipment and AGCO® agriculture equipment.

Ziegler has a team focus, a first-class reputation for service, and a healthy work-life balance. We train our employees to do things the Ziegler Way - the right way - and then we take it one step further. If you're a talented, hard-working, and down-to-earth person, you'll fit in perfectly here.

TEAM MENTALITY

Once you join Ziegler, you're not confined to one job. We recruit the best people available and place them in positions that best suit their skills and areas of interest. New opportunities and avenues for professional growth are always part of being on the Ziegler team.
