# GROWING STRONG!

Most all of us felt the impact of the pandemic over the past two years and in many different ways. Regardless, we have a new year in front of us now, and this provides a new opportunity to help the Johnston business community. It is so important for us to continue to focus on positive ways that we can help local businesses succeed. Last year, we put a lot of effort into figuring out new ways to help our business and community, and this year we will continue to be strong and grow!

As the 2022 president of The Johnston Chamber of Commerce, I will be a strong voice in creating a winning atmosphere for our members — and potential members — to thrive. We will certainly still have many challenges continue from COVID-19 and other obstacles, but these trials will force us to continue to think differently and keep changing how we all attract and keep customers.

Part of this approach includes an intentional effort from all of us to buy the products and services that our local businesses offer, and this Johnston Chamber of Commerce Directory is a great place to start before making any purchases.

We are proud of the mix of retail and service industries in our community, and we want to help them all

succeed. With that in mind, I ask one simple favor. Before you make your next purchase on Amazon or elsewhere, try to buy locally first. The impact goes way beyond that sale, as taxes from those businesses help fund our schools, our roads, our police force, our fire department and much more.

As a resident or business owner/manager here, you know that Johnston is home to recreational facilities, parks and trails, a top-rated educational system, a well-run local government, and an overall excellent quality of life. Johnston is also a great place to do business.

We made the decision to start our business here in 2010 and join the Chamber, and we are glad we did. If you own a business in another community and have thought about expanding here, let us know. If you have considered starting a new business in Johnston, we can help. Or if you simply want to meet more people and get involved in the community, we would be proud to be your connector.

In short, don't hesitate to reach out to me or to our executive director if there is anything the Chamber can do for you.

Now, let's continue to keep growing strong!

# JOHNSTON Green Days

June 16-19, 2022

**LOCATION:  
TERRA PARK**  
6300 Pioneer Parkway,  
Johnston

The Johnston Green Days festival will celebrate its 26th anniversary with a weekend full of activities starting on Thursday, June 16. Highlights include a carnival, parade, live bands, car show, beer garden, crafts for kids and much more! Green Days is organized by the Johnston Chamber of Commerce.

2022 Johnston Green Days will be held at Terra Park! Terra Park is

our 200-acre park with an 8-acre fishing lake surrounded by a great lawn for concerts and events! Mark your calendars with this year's date and address for Green Days, 6300 Pioneer Parkway, Johnston, IA 50131.

Why is it called Green Days? When the event was started in 1996, it focused on Johnston's agricultural and horticultural tradition. The Chamber worked with Johnston's

many nursery and greenhouse operations, local garden clubs and other groups to start this tradition and help it grow to become one of Iowa's leading summer festivals!

Green Days is a community celebration for Johnston residents and a showcase of our city for the many other visitors we attract with this event. For more information, go to [www.johnstongreendays.org](http://www.johnstongreendays.org).

# JOHNSTON TOWN CENTER

EST. 2021

The Yard at the Johnston Town Center is the state's biggest backyard full of space to gather and celebrate as a community.

The Johnston Town Center infrastructure reached substantial completion in the Summer of 2021, creating seven shovel-ready commercial lots bordering The Yard. Johnston residents celebrated the Town Center's Grand Opening on Saturday, Aug. 28, with an array of outdoor activities capped off by a performance by Maddie Poppe at the amphitheater.

Shortly after the grand opening, Hansen Real Estate broke ground on the first two commercial buildings at the southwest corner of the Town Center; these buildings are expected to open in mid-2022. The remaining commercial lots are available for retail, office, hotel and entertainment development opportunities.

The completion of this infrastructure included some very popular amenities, including the patio/splash pad in the summer, which converts to a synthetic ice rink in the winter. Both activities have been incredibly popular! The Johnston Town Center also hosted its first Movie in the Yard and Holidays in the Yard, which included a visit from Santa. There are many more events are planned for 2022. To learn more, visit [johnstontowncenter.com](http://johnstontowncenter.com).

## MERLE HAY ROAD GATEWAY PROJECT

Several projects are preparing to get underway in the Johnston Gateway. In 2021, Ignit Sports and Fitness demolished the former Imperial Storage at 5346 Merle Hay Road and neared the completion of the site preparation for Spring 2022 construction of a 200,000+ sq. ft. recreation facility with outdoor fields and amenities. Design work on the extension of Johnston Dr. west of Merle Hay Road and adjacent intersection improvements that will serve Ignit and other adjacent commercial development property is being finalized, with construction expected to get underway in 2022.

Other projects in the Gateway area include the construction of the first of two planned senior apartment buildings and site planning work on three additional commercial buildings along Johnston Drive.

In preparation for construction of the City of Johnston's third kayak launch along Beaver Creek, the City of Johnston acquired 5055 Merle Hay Road with intentions to undertake grading and infrastructure improvements on the property to facilitate construction of the kayak launch and resale of approximately 12 acres of shovel ready commercial property.

Additionally, the new Trestle Bridge over Beaver Creek and Johnston's first dog park is planned to open in 2022-2023. To learn more about the Merle Hay Road Gateway Project scan the QR code.

# THIS IS DRAGON NATION

We continue working toward improving student achievement as identified in the district's mission, vision and strategic plan, and characterized in the JCSD Portrait of a Learner.

**7,157 Students**

**Graduation Rate: 97.9%**

## National Merit Scholarships

Last September, 10 Johnston High School seniors were named semifinalists in the National Merit Scholarship Program. These students will compete for 7,500 scholarships worth nearly \$30 million.

## OUR MISSION

Our Mission is to commit all district resources to guide the learning of all students to graduate as confident learners with character, knowledge, and the skills to excel in any endeavor they pursue.

## OUR VISION

Our Vision is creating a culture of excellence where students come first.

## STUDENT ACHIEVEMENT

## ATHLETICS AND ACTIVITIES

Our students excel not only in the classroom, but also out in the field.

JHS swimmer Olivia Swalley recently became the only athlete from Johnston to earn 5 state titles.

Our girls volleyball team pulled off an upset of a No. 1 seed to make it to the state semifinals.

And our marching band took first place in the Mid-Iowa Band Championship.

## APPLE DISTINGUISHED SCHOOL AWARDS

We've also seen success in technology. Eight Johnston schools were in September recognized as "Apple Distinguished Schools" for 2021-2024 for their integration of 1:1 iPad learning devices across PreK-12 classroom learning environments.
